Associated with other newly discovered Roots, VATING RESULVENT; secures a remedial agent, that cures all forms of Chronic, Scofulous, Skin, Glandular, Kidney, Bladder and Uterine Diseases, by communicating its curative, reparative and fruitful efficacy, through the BLOOD,

The ordinary Sarsaparilla decoctions and Syrups are mere washes, compared with the Sarsaparillian of the Resolvent. It is a well known fact that Sarsaparilla as ordinarily prepared either as officinally or as a proprietary remedy, never pos-sessed the confidence of medical men, and all the reputation it enjoyed was deemed by well informed Chemists, Physicians, and medical writers to be due to other remedial agents associated with it. The true curative virtues of Sarsaparilla for 300 years have laid hidden in the Crystalline princi-ple of the Root. Under DR. RADWAY'S New Proocer, SARSAPARILLIAN is secured and brought to light, and associated with other ingredients, it fulfils the most extravagant expectations and views of men. One ounce of Dr. Padway's Sarsaparillian contains more of the curative principle than ten pounds of the extracts from the crude roots, as prepared officinally or in the popular advertised

PAREIRA BRAVA.—Another of the ingredients of the Radway's Resolvent, held in high estimation by the most eminent medical men of Europe, South America and United States, as the best remedial agent for the diseases of the Kidneys, Bladder, Uterus, and as a luthontriptic for dissolving Calculi, as a curative for Jaundice, Rheumatism, Lencorrheea, etc., since 1688 has never been properly prepared. Under Dr. Radway's process, the Cisam-paline principle of this valuable Root is secured, and associated with Sarsaparillian and other ingredients in the Resolvent, makes it a perfect cure in every form of disease of the Kidneys, Bladder, and Urinary Organs-Dropsy, Gravel, Incontin-ence, or Stoppage of Water, Diabetes, or Urinary Diarrhea, and every kind of weakening, writating or purulent discharges, not proper to mention in an advertisement, is rapidly cared by this remedy.
