CURSION TO PAPINEAUVILLE.

join in a pleasanter party than that which

left our town yesterday morning in the good

steamer Queen Victoria, for a trip to the beau-

tifully situated village of Papineauville. The

excursion was organized and the necessary

arrangements made for the trip by the Natur-

party, either on land or on water. The beauti-

party enjoyed to the full all the healthful and

inspiriting influences of the day. Upon ar-

riving at Papineauville, they separated into

little groups to explore the country, and find

the prettiest spots for the rustic repast which

those who did say that nothing could have

ceived them. The library of the venerable

gentleman is a great curiosity and attraction

in itself. It comprises, we should say, about

3,000 volumes in French and English, and

ranges over an almost infinite variety of

agriculture, philology, and many other branch-

es of study which it would be impossible here

REPORT NO. 7, SCHOOL MAYAGEMENT. To the Corporation of the Board of School Trustees tor the City of Ottawa:

Your Committee would respectfully submit the following report-1st. At the last meeting of your Board this Committee presented a synopsis of the schools under your control, when, by an unintentional error, the names of pupils most frequently late in their attendance at the Central School East, were given as "most attentive to studies." It must be borne in mind that there
