Had he not acted as he has done, at any moment the men under his last mentioned with their appurtenances, will be sold direction might have been drafted and subject to the interest of the said Insolvents as cotaken away for service; but by organizing partners or of either of them therein, under the partthem as volunteers, he secures their at- otherwise howsever at the time of their inscivency tendance at their regular duties in time of for the residue of the unexpired term of fifteen years from the 1st day of December, 1865, and to the peace, and for the defence of the line in mortgages thereon. case of invasion.

No general description so well illustrates devises thereef, under the will of the said Alexan- Photographer the intensity of popular feeling as the selection of a particular incident, and there is a curious episode in point narrated in the Melbourne Argus. The leader of an Dated at L'Orignal, this 23rd day of April opera orchestra had, at the time of the out- A.D., 1868. rage on Prince Alfred, incautiously used some expressions in conversation of a disloyal import; and the circumstance getting wind, the audience in the theatre next evening manifested the utmost indignation. It hissed and hooted, and required the orchestra to play "God save the Queen." This call was complied with, but it was not enough; they also demanded " Rule Britannia;" and when this was given they required a personal explanation. The town of Ballarat, where the incident occurred, took up the matter seriously, and after the musician had been tormented in A various ways for a couple of days, a public meeting was called, at which he apologised and stated that he intended no disrespect to the royal family; that his words had been misrepresented; and that he regarded the attempted assassination of the Prince as an atrocious crime with which he had LOW RATES no sympathy.

CONTINENTAL ARMAMENTS .- The Camarade, of Vienna, publishes a statistical | The stock consists of table of the forces of the great Continental Powers. According to that journal, France has 1,393,000 soldiers, 843,000 men of the active army, and 550,000 in the National Guard Mobile, and this total might easily be increased by 300,000 men. The Confederation of North Germany might raise a permanent army of 1,428. 009 men, including the coatingents, supplementary corps, and landwehr of the Southern States subjected by treaties, posed of within a few days. offensive and defensive to the military of Prussia. Italy has 500,000 soldiers. The effective of the Russian troops is 1,466,000 men; namely, 827,000 field troops, with the military districts of the Caucasus, ARLF-ACTING SODA WATER AP410,000 in other localities, and 229,000 for cash. Aprly to WILLIAM PROPERTY irregular; the total might be easily aug- ussex-street, Ottawa. mented to 1,800,000. The above named journal concludes that Austria, to be on a level with other Governments and protect her own territories, ought to maintain, as a frontiers, and a landwehr of 200,000.
