Another Wonderful Cure of Consumption in Canada

ESSRS. YOUNG & CHAMBERLAIN, -Sirs, I feet it a duty I owe to you, as well as to the public, to inform you of the most wonderas to the public, to inform you of the most wonderful cure of Consumption, accomplished in my person, by the use of the Great Shoehonees Remedy and Pills. I coughed a great deal day and night, expectorating large quantities of matter, and had a great pain about my left lung. I had cold chills every day, and severe night sweats every night, and between the racking cough and great sweating I was almost deprived of sleep; by these miseries, as well as the loss of appetite. I was so reduced that I could hardly stand alone. I was under the care of a physician for a length of time, but finding no relief, I tried different receipes, but all without any good effect. Squire Peterson of Bath, recommended me to use the Great Shoshoonees Remedy; I procured three bottles at once, with the Pills; I procured three bottles at once, with the Pills so soon as I commenced using it I began to get better, and when I had finished this complement, the Cough, expectoration of matter, pain about the tung, chills, sweating, &c., left me, and by continuing its use I became strong and healthy. It is now over two months since I quit the remedy, and there have been no symptoms of the disease sturning, and I have been, and am now, healthier and better than I have been for many years. I trust you will make this known to the public, that they may be aware of the peculiar virtues of this truly wonderful Indian Remedy. PATER C. V. MILLAR.
