Another Wonderful Cure of Consumption ESSRS. YOUNG & CHAMBERLAIN,

-Sirs, I feel it a duty I owe to you, as well as to the public, to inform you of the most wonderful cure of Consumption, accomplished in my per-son, by the use of the Great Shoshonees Remedy and Pills. I coughed a great deal day and night, expectorating large quantities of matter, and had a great pain about my left lung. I had cold chills every day, and severe night sweats every night, and between the racking cough and great sweating I was almost deprived of sleep; by these miseries, as well as the loss of appetite, I was so reduced that I could hardly stand alone. I was under the care of a physician for a length of time, but finding no relief, I tried different receipes, but all without any good effect. Squire Peterson of Bath, recommended me to use the Great Shoshoonees Remedy; I procured three bottles at once, with the Pills: procured three bottles at once, with the Pills so soon as I commenced using it I began to get better, and when I had finished this complement, the Cough, expectoration of matter, pain about the lung, chills, sweating, &c., left me, and by contiruing its use I became strong and healthy. I is now over two months since I quit the remedy, and there have been no symptoms of the disease returning, and I have been, and am now, healthier and better than I have been for many years. I trust you will make this known to the public, that truly wonderful Indian Remedy.

Like every other good thing, the Pain Killer has been extensively counterfeited which, (while it is an acknowledgment on the part of the counterfeiters of its real worth,) is a serious hinderance to its usefulness, as the deceived purchaser estimates the value of the Pain Killer by the base compound he has purchased for the genuine article.

Purchasers should be careful and not allow the dealer to sell them worthless imitations, on which they realize a larger profit, but take only the Pan Killer, and see that it is the genuine, bearing the signature of Perry Davis & Son upon the label. The Pain Killer is sold at wholesale by Druggists and Medicine Dealers, and Commission Merchants, in the principal cities, and retailed by Apothecaries, Grovers, and at Variety Shops generally throughout the world.
