announced the sudden disappearance of a and also the strong suspicion that she had been foully dealt with. The body has since been recovered, and it is now proven almost girl was most cruelly murdered by the hands of her uncle, Thomas Jones, and his daugh-

THE DELAWARE MURDER.

[From the London Free Press.]

The persons connected with the tragedy deceased, and James-all residing in the other. They came from Devonshire, Eng., and settled in this township many years ago. morality, however, has been, as a general morality, however, has been, as a general liam and John, who, having retired early, surplus cereals—ground or unground—of thing, not of the most conspicuous kind. were thought to be fast asleep. These boys the whole United States, free of duty, and Thomas has long borne a very bad reputation throughout the township, for peccadilloes of one sort or another. He is of an extremely violent temper, a trait of his daughter also, and has the character of being unscrupulous, and even criminal, in his acquisitions. By the old he has been held in detestation, and by the young of the vicinity in terror. His threats against those who gave him any recommenced on a more extensive scale kind of offence were of the most fearful and Sympathetic neighbors joined in bands and malignant description. He was the dread of scoured the country for miles around, but all with whom he had any dealings. With without any tidings of the missing girl. The good terms with any of them. An instance traversed over and over again to no effect. small monetary transaction between them, and left, as they were persuaded, no stone and in a dispute which tollowed Thomas unturned in their efforts to find the body, as and rushed at his brother with the avowed in- been made away with. tention of knocking his brains out. Henry's wife interfered, however, prevailed upon him to desist, when he left the house saying he would never cross its threshold again. This was but the culmination of a long series of lifferences; and we mention the relations existing between the tamilies that the reader might the more fully understand what is to

THE PRIMARY CAUSE, OF THE MURDER. are said to have been numerous, but of which stables. often no conclusive evidence could be found. Some weeks ago the murdered girl was alone in the house of her uncle James, and in the evening a man strangely attired entered, and obtaining the keys, searched the apartments, taking from one of them a purse containing grud tone, from which, above the false whiskers, bushy mustachios, slouched hat and overcoat with which the robber thought to disguise himself, the terrified girl recognized the dialect of her uncle. Thomas Jones. The money being missed by James, on his return, she at once told him all; and legal proceedings would have been taken against the robber were not the victim alraid of exciting his malice, both against himself and his niece. Another deterring circumstance was the threat made by Thomas : that if the

got out of the young termagent's way as repaired on the night of Thursday to complete during their horrid deed. The body was marked in ties at Washington, "first call on your Feproach her afterwards. THE GIRL IS MISSED -THE SEARCH. The particulars of the dreadful affair are accurately as follows: While the family of Henry Jones were at dinner on Thursday last, the 11th, Mrs. Jones proposed to send Mary, the deceased, to her uncle's house to get a quantity of floor which had been due them for a long time. Her husband objected, saying it would not be safe for his daughter to go had been made. The girl seemed anxious to ingly left at about 2 o'clock, went to Thomas's house, and did not return alive. Her continued absence induced her younger sister to go in search of her, and while on the road upon the people was irritating in the ex. period of so great commercial prosperity as leading to Thomas's, one of his sons, two of treme. Their disposition was to lyach the since the treaty of 1860. In 1859 France whom were doing statute labor, said to her, perpetrators without delay, and so strong was exported manufactures to the value of \$280, half-jestingly, "Lizzy, you needn't look for this feeling that, had not better counsels pre | 000,000; In 1867 their value was \$356,000, Mary any more; for father and her have | vailed, the crowd would have been inclined | 000. The aggregate of her exports to Engquarrelled, and he has killed her. You'd to break into the prison where he was confin- land alone during the same period had in better come and take her away." Nothing ed, and release the man for the balter. The creased from \$118,000,000 to \$230,000,000 more was said, and the little girl, doubtful of excitement was most intense. the truth of what she heard, went toward home. At five o'clock Mrs. Jones herself went to look for her child, met John, the same boy, and asked him what had become of Mary? He replied that he knew nothing about her, and fell upon his face, evidently that he should not betray the falsehood by gesture. Mrs. Jones was then becoming very much alarmed. She supposed that Thomas his brother Henry there to destroy him. had assembled. Mary had gone to Pultord's to get some. On that she had been killed by her father, he said COOKING STOVES. he had been only joking, and went his way spread and the neighbors instituted a search

COOKING STOVES. being asked what induced him to say to Lizzy for the missing girl. Her husband being A large box stove was among the debris. by Austria is of immense importance to afraid of treachery, declined to accompany Mrs. Jones to Thomas's house, where she wished to go to make inquiries; but she on the safe part, made a simultaneous rush open them to free enterprise is almost as wished to go to make inquiries; but she was accompanied there by a neighbor. They stood on the road and called to Agnes, hearing the sudden and slarming noise within the building, rushed to the door to find out great mineral resources yet to be developed, she PARLOR STOVES. Thomas's wife, to come out to them. In PARLOR STOVES. reply to inquiries, she told them that Mary the cause, and thus a "dead lock" occurred has in her own hands the materials for taking had come there in the afternoon; but re-between the outward and the inward bound. In important part in the commerce of the mained outside of the fence for about ten minutes. As she had no flour to give her she went away, but she could not tell which direction she had taken. The searchersthen injured. On their coming out many bruised Adrianc and all Eastern and Central Ger-Mary) go across his field towards a sugar and W. Young. Many others received intwo houses. This bush is some forty acres distant from Thomas's. He said they had quest adjourned to the Drill Shed, where a was decided at the recent Ecclesiastical Coununeasy and gone to look for them, meeting amined.

Atrocious Butchery of Mary Jones -- The

way or other. Upon consultation, it was de taken an active interest in the matter termined to invoke magisterial aid in finding | the first. A brief telegram in our issue of Friday last the lost child. At one o'clock a. m., thereyoung girl named Mary Jones, daughter of Henry Jones aroused Mr. W. F. Bullen The prisoners were then duly completely George Jones, a farmer residing on a from bed, and gave information charging his take their trial at the Fall Assizes. Henry George Jones, a farmer residing on a brother Thomas with secreting, or causing to be secreted, the body of Mary. . The execution of the warrant upon this instrument resulted in nothing. Notwithstanding, the

search was continued without cessation. THE MURDERERS AT NIGHT.

The persons connected with the tragedy are three brothers named Jones, and their families. Their names are: Thomas, one of the murderers, Henry George, father of the deceased, and James—all residing in the "Did you hurt her?" The girl intimated the Treaty. do. Each has earned a small farm, and ac- The movements of the guilty pair were over- have. When we reflect, however, that the

> the present internal revenue tax of the United States, why, so be it; but let us have no one-sided bargain, like the one proposed in the bill of Mr. Beaman, now before the House of Representatives at Washington-the text of which we insert in another column of this day's paper. Why should the great and powerful United States of America ask the youthful, and comparatively feeble, Dominion of Canada, to grant her commercial advantages which she is not to reciprocate? Why ask from Canada the free navigation of her casals and rivers, without proffering like privileges in return? Why ask the new Dominion to allow United States vessels to coast, trade and fish on her_entire Atlantic frontier, without reciprocating the favor in

No: all this sharp practice will not effect its purpose; but the moment the United States government and people, are prepared

COMMERCIAL PROGRESS IN EUROPE.

M. Thiers, who is a staunch protectionist has been creating a sensation in Paris by an ardent speech against the progress made towards liberality in the commercial policy of France. As is usual with men of his views death was immediate. The body was con- he ignored actual facts, and drew upon his veyed to a room in the Town Hall, Delaware imagination for substitutes. In the Journal des Debats, M. Dupontis, replying to Thiers, showed there had never been in France a and a more striking fact is that those to all other countries had increased in the same proportion. The amount of her whole trade increased more than 50 per cent. in seven years, having been \$1,082,000,000 in 1859, and \$1,625,000,000 in 1866. The progress of Europe to vards a system
