Times Office, Ottawa,

Last week we had occasion to notice an improvement in the quantity of supplies brought to this market, and we could then see no reason for its falling off. Yet it continued but a few days, and now it has fallen away again to almost nothing. A beggarly account of some half a dozen farmers' waggons is all we look for from day to day, and that is about all we get. The question often raised ers' meat sells, prime joints, stall fed, 16 cents to 17 cents. Second quality, grass fed, 124 cents. Mutton, 121 cents, and veal 10 cents to 121 cents.

MESSRS. YOUNG & CHAMBERLAIN,
—Sirs, I feel it a duty I owe to you, as well as to the public, to inform you of the most wonder-ful cure of Consumption, accomplished in my per-son, by the use of the Great Shoshonees Remedy and Pills. I coughed a great deal day and night, expectorating large quantities of matter, and had a great pain about my left lung. I had cold chills every day, and severe night sweats every night, and between the racking cough and great sweating I was almost deprived of sleep; by these miseries, as well as the loss of appetite. I was so reduced that I could hardly stand alone. I was under the care of a physician for a length of time, but finding no relief, I tried different receipes, but all without any good effect. Squire Peterson of Bath, recommended me to use the Great Shoshoonees Remedy; I procured three bottles at once, with the Pills; so soon as I commenced using it I began to get better, and when I had finished this complement, the Cough, expectoration of matter, pain about the lung, chills, sweating, &c., left me, and by contiruing its use I became strong and healthy. It is now over two months since I quit the remedy, and there have been no symptoms of the disease recurning, and I have been, and am now, healthier and better than I have been for many years. I trust you will make this known to the public, that they may be aware of the peculiar virtues of this truly wenderful Indian Remedy.
