Proclamation to Farmers-Thos, Birkett,

MONDAY, JUNE 29, 1868.

For Markets see Fourth Page.

THE Hon. E. B. Wood, and the Hon. A. T. Galt, arrived in town on Saturday morn-

party, and it can scarcely be supposed that THE Hon. Messrs. DUNKIN and WOOD, the either Legislature would be so fickle as Treasurers of the Provinces of Quebec and abruptly abolish the arrangement were Ontario, had an interview with the Hon. MINISTER OF JUSTICE On Saturday afternoon.

THE Globe has been placed on the defensive with respect to the Kent Registrarship. The facts made notorious by the Leader as to the mismanagement of the younger Mc. likely be made. It is expected that the comtemporary, and it is amusing to note the and Poetal Service of the Dominion, and expedient or necessary. There are rumours of the difficulty. It quotes that most respectable authority, the Chatham Banner, to prove about custom houses at some of the smaller that the Leader's figures were "false;" but ports in this Province being closed; and that the Leader's figures were "false;" but post and way offices in thinly settled districts post and way offices in thinly settled districts to be dispensed with. Time will tell whether to be dispensed with. Time will tell whether Jos. Esmonde until 4 o'clock on the day of that the junior McKellan carried out Inspector's "suggestions," so that on the Nova Scotia. The work of the commission return of the functionary named at a subsequent period " he found the affairs of the "office in a satisfactory state." Now, if it required compliance with the Inspector's "suggestions" to put the affairs of the office in a "satisfactory state," it is very clear that if not the blunders pointed out by the Leader, then some other blunders must have previously been made?

But the Globe propounds an extraordinary therefore declare, in advance of time, is doctrine. It has no objection to the exposure of Mr. McKellan's errors or omissions; but it has " very special objections to a Govern-"ment paper being allowed to use parts of "Mr. Smith's reports against the son of the "member for Bothwell, while the actual facts " are concealed, and while all that Mr. " Smith says about the other Registrars of the "Province is kept a strict secret. If these " reports are used at all, they should all be Mr. Sanford Fleming went to England to be " used; nothing should be kept back."

And so to expose the bungling and incapacity of the juvenile McKennan the whole long he is to remain out of the way is not of the Inspector's reports concerning the forty or fifty Registrars of Ontario should be published in extense! This is a marvellously take in any one case, relating to any Court, in and for the County of Pontiac, at indulged in ; for which abundant facilities will single Department of the public ser- Chapeau Village. vice, to observe it in future? In the past we are quite sure that such rule ever directed the conduct of our contemporary towards any public official. The very idea of such a course is preposter-We can well understand that the Globe's "objections" to the exposure of Mr. McKellan's blunders are "very special," seeing that he is "the son of the Member for Bothwell;" but why in the name of common SMITH'S reports concerning all the Registry Offices of the Province Before "a Government paper" shall be "allowed" the privilege of calling attention to his maladminiscorrected? Where would the Globe's newly way, and we continued on the street until we found rule stop? May not the misconduct | came down to McCrea's windows, when I stoopof one sheriff, one judge, one collector of ed down to make sure that he had a pistol in exposed until that of all the other speriffs, in his right hand; we walke i on to the next judges, collectors, or other public officers are | street called Hamilton st.
