tion at an early day, just as soon in fact as Sir John A. MacDonald and the Hon. Mr. Macporgall leave for the West by the morning train to-day, the former on route for former's " letter, needs only to be noticed on London, and the latter for Toronto.

As a pleasing evidence of the popularity of one point. It disputes Mr. HowLAND's sucthe New Dominion in regions as yet beyond cession to the leadership of the Reform wing its sway, we may mention that a telegram of the Coalition Government on the secession from Baskerville, British Columbia, was re: of Mr. Brown; and to make good its objection, it denies that there was a leader of the ceived in this city to the following effect : "Cariboo celebrates to-day, (July 1st) party from that time. A brief statement of facts " and sends congratulations. God save the overturns all our contemporary's logic, thus :

Mr. Baown joined the Coalition in 1864 " Queen and the Dominion !" The people of Canada will heartily reci- as leader of the Reform party, bringing in procate the sentiment, and gladly assist in two colleagues of his own choosing; one of hastening the day when British Columbia thes subsequently retired, and Mr. BROWN. may be made part and parcel of the Do-

-not the PREMIER-selected his successor. By-and-bye Mr. Brows retired, and had the party gone with him, the Coalition would have been broken up. But the party did not THE two leading journals of Ontario re. vacancy in the Reform wing of the their issues of Saturday morning. By an Cabinet? Again, not the PREMIER, but this time Mr. HowLAND, exercising the unaccountable coincidence they appear for function of leader, selected the late Mr. once to agree on one point : that somebody other than the Hon. W. P. HowLAND ought BLAIR; and in this selection the party sustained him. In this surely Mr. HowLAND to fill the office. But apart from this harwas not only "virtually" but de facto leader monious conclusion they are wide as the poles asunder. The Leader gives Mr. How- by exercising the functions of the self deposed chief. Of the immense importance of LAND a considerable amount of credit for the part he has played in the political events of this one act of Mr. HowLAND's on the sucthe past few years; but evidently our con- cess of the then Government, and the fortunes temporary does not contemplate his elevation of Confederation, it would be almost a waste to the Governorship with satisfaction, nor of words to speak. It was appreciated very generally at the time; but has since been consider that his public services have been rendered more conspicuous by subsequent events. We have said that the Leader has willing to see him hold his place in the been "candid" in its criticism, but we think Privy Council of the Dominion; willing to it has failed to give the incident to which we concede that as a confidential adviser of the Queen's representative, he is thoroughly allude its due weight in estimating the value of Mr. HowLAND's public services. competent and trustworthy; that as the political chief of one of the most important departments of the General Government, the atmosphere has led the superficially to the faithful discharge of ed rain was surely coming, but yesterday ing made an ideal creation of its own as the morning the murky sky made them almost hold thing required for the proper filling of the up their bands to catch the first drop. When office of Lieutenant-Governor, with the char | their eyes begin to "pinch," however, and acter of which Mr. HowLAND does not pre- the air to "smell of smoke" they sorrowfully cisely comport, the Leader takes exception confessed they had been mistaken. The to his appointment to the office. We shall fact is, and we regret to have it to record, not stop to consider whether the Leader has serious fires are raging in this part of the held last evening. Present: His Worship the not over-estimated the qualifications and country, of the existence of which the atmos- Mayor, Ald. Rochest-r, Pratt, Cunningbam, pre-requisite conditions necessary to the phere has borne testimony for nearly a week. Hunter, Bangs, Robinson, Fratherston, Moscomplete realization of the beau ideal Lieut- Up the Gatineau, we learn that the men grove, Abbott, Goulden, Guerard, Heney so far differed as to lead us to a contrary conclusion. But the letter of a "Reformer, " reproduced elsewhere, which the Leader printed on Saturday, sets forth Mr. HowLand's claims so fairly that, spite the objections of our contemporary, bravely sgainst the flumes, some five or six we think it is quite conclusive, as regards his individual merits, in so far as public service in political life can earn a title to preferment. That he should be preferred over other men whose public services may Lieutenant Colonel Higginson, will go in:o have been no less meritorious, is a mere camp at L'Orignal for its annual course of consideration of expediency affecting the General Government rather than local prejudices or predilections. As we remarked before, the filling of this office ought not pre cisely to be regulated by a canvass of local public sentiment, to the disregard of the consideration of the general policy of the Dominion Government; and while we do no object to the exercise of such candid criticism

ing, otherwise it would have had to confe
