HENRY WILKES, D. D.,

Who is Mrs. Winslow?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse, princi- the first of July beneath the mighty flames of their place in the pavilion which had been pally among children. She has especially studied " The God of day." How simoon-i-h, rirocco- crected for their reception. The large open the constitution and wants of this numerous class, like has been old Sol's great torrid bonfire. space where the memorial is erected is an and, as a result of this effort and practical know. How he has blazed away at us, and how we congated square, surrounded by several fine ledge, obtained in a lifetime spent as nurse and have boiled beneath his persistent and broad buildings. On the southern side of the square physician, she has compounded a Scothing Syrup for children teething. It operates like magical temporary gelidnes, a partial inclemency, a some 1,400 people, had been shut up, white for children teething. It operates like magic- brief hourfrost, a gentle rain, a cooling and on the other three sides other stands had also giving rest and health, and is, moreover, sure to welcome, though shuddering and shivering been erected. Opposite the memorial was the regulate the bowels. In consequence of this hailstorm, an incombustible glacier for a few stage for the speakers, rather on the side of article, Mrs. Winslow is becoming world-renowned minutes. But we were not vouchsafed the the royal pavilion, and close to a bal any there as a benefactor of her race; children certainly do nisk ur and bless her; especially is this the case in this city. Vast quantities of the Southing in this city. Vast quantities of the Soothing this ignorus display—this iliquefaction of of Hesse and Saxe-Weimar, Prince William of Syrup are DAILY sold and used here. We think humans, this incomation, scorification, and fladen, all in full uniform, and the Princess Mrs. Winslow has immortalized her name by this torrefaction of already conflagrated mortality. Karl of Hesse. The Grand Duke of Baden, invaluable article, and we sincerely believe thou- Should there not be an end of smelting mor- who had been expected, was unable to attenu sands of children have been saved from an early tals? Oh for congelation and freezing mix- through indisposition. grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No MOTHER has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Try it, Try it, mothers-TEY IT NOW -Ladies' Visitor, New York City.
