the whole family.

The new route-or as Mr. Dawson calls it the Shebandowan Lake route-will strike off await with interest the next Yankee-Canadian from Thunder Bay, and embrace a land route takes effect from the 1st August." from Thunder Bay, and embrace a land route of fitteen or seventeen miles more; in all forty-five miles from the head of Lake Superior to the water communication, through the lakes already mentioned, of which Lac des Mille Lacs, and Lake Shebandowan are the principal. Though the distance to Dog Lake from Thunder Bay is but twenty-five miles, yet the transhipments which this and the ness of the first cost, as compared with the superior facilities offered by the Shebandowan route. By the latter the whole land transport is completed in an unbroken journey of but forty-five miles, and the watershed, or height of land, where the water is distributed East and West, is crossed by canalling between the lakes, and raising the levels of some of them, for which operation the natural con figuration of the ground offers great facilities

This prospect of a better route to the Red River country, and the great Northwest, is very gratifying. If the transfer should be father's residence, Quebec, on Tuesday last, completed next winter, there is nothing to and was drowned. travel and traffic by the summer of 1870, thus opening up almost a new avenue for Canadian trade, and giving great impetus to the settlement of the Northwest. This im portant matter has received much attention from the MINISTER OF PUBLIC WORKS, and should Mr. Dawson, as he anticipates he will find a practicable connection between the point of departure from the Deg Lake route and the chain of lake navigation mentioned, we are confident that next summer wil not be allowed to pass without completing the much desired line of travel between the Red River and Lake Superior.

ADVICES have been received that the Hon Mr. Rose has put one-half of the Intercolo nial Railway loan on the market. The Mor treal Gazette says " £1,500,000 of the sur " he offered is covered by the Imperial gua "tion of three-fourths guaranteed and one-" fourth without the guarantee. The bids " were very satisfactory, amounting to £8, 1250,000 stg. The lowest tenders accepted " were at a premium of 5% and the highest Goderich Tuesday 6th " at 64."

This is extremely satisfactory, showing Sarnia.....Thursday15th Sandwich Monday19th that the premium received on the loan is Chatham Thursday 22nd

nouths' interest. We remember that it was objected when the Bill was before Parliament that a much larger interest would have to be paid for the money borrowed on the credit of the Dominion without the guarantee, but

such appears not to have been the case favorable terms is so far a good omen for the success of the great enterprise; but there is yet another consideration which will have an cents per day, while masons, carpenters, and letters "O. U. R. WELCOME." At the same skilled workmen generally, rarely command- time the eye met at the farther end " Victoria, instances actually doubled. This accidental inflation of the cost of labour, brought about by a variety of influences entirely unconnected with the railways, no doubt added at least thirty per cent, to their first cost; bu to raise him in public estimation. If this the signs of the times are such as lead us to brother from the Government, he should never those who believe that this great enterhave permitted his name to have been used in | prise, so essential to the prosperity of Canada,

WE copied the other day a paragraph from the London Prototype stating that the oil resuch a constituency might honor itself and finers had entered into an agreement to raise peal of applause. THE O. U. R. SOCIAL PIC-NIC AND

CONCERT. This affair which came off at the Bell-vue Gardens yesterday, at which there were about four hundred invited guests present, fully justified our prediction that it would be grand, yet select gathering of the kind this, as it was of any preceding season, fact it is agreed on all hands that it eclipsed anything of the kind ever attempted here be fore. Soon after three o'clock in the afternoon modious ferry boats were loaded with the

visitors, and began and continued to run with Report No. 4] good speed and regularity, and by four o'clock the grounds were well filled. The attention of all was attracted by the splendid decorations of the large pavilion, which was draped and festooned with every form of British flag, interspersed with evergreens and flowers. Over the main archway entrance, which was sur mounted with flags, the visitors raw in large But O.U.R. Quees." In another place "Walcome works were more than to O. U. R. CLUB Pic-Nic," and a variety of wages | mottoes and devices, Beyond this screened with flags was the grand refectory similarly decorat-

ed, and tables laid out with all the choicest delicacies, presided over by ladies and waited on by gentlemen, and it appeared as if the whole club had resolved to compel by courteous invitation all their guests to the tables, where dainty after dainty was presented to fully four hundred ladies and gentlemen. Before all this could be done, however, Gowan's band had opened the tall with the O. U. R. set of quadrilles arranged under his supervision, and the pavilion was alive with dancing. This continued with brief intermissions till dark. Meantime numbers of gentlemen amused themselves with foot ball and ladies with swinging. At a little before right during a recess of a few minutes, the whole pavilion character of stool pigeon for Amos | try has endured so much ruining by the con- bad been illuminated as if by magic: variegated chinese and crystal lamps, depending from branches and festoons, shed their mellow

by fire. Richmond and Hitchcock streets for animal's affection seems strange; A MARVELLOUS CURE.

Liverpool has a good local story of a tizer which escaped from a menagerie, and terrified sent excitement, to ascertain, but it will be at the suburbs for some hours. In one outlying listrict a man " who had lost the use of both legs," had sat for twenty years; a sturdy, stunted vagrant, making a good thing out of his infirmity. But in an evil hour for his professional profits, the road where he had taken up his seat for a score of years was on the morning of the tiger's escape, the scene of a fierce stampede. Down it poured pell-mell, screaming with terror, and crying out, " The news of the tiger's escape, and now fear lent sat doubled up every day, and with an energy | Europe in her. The Denver News says : The people of Den- that left nothing to be desired, he bounded ver, Col., will remember about a week ago a down the road, and soon outstripped all comloud of smoke that rose from the mountains petitors.
