I have purchased many since, and I am pleased to inform you the Tea has been in every case proved most satisfactory, as well as being exceedingly cheap. Yours, very truly, F. DENNIE.

Montreal, April, 1868.—To the Montreal Tea Company, 6 Hospital-street, Montreal: We notice with pleasure the large amount of Tea that we have ordered for you from different parts of the Dominion, and we are glad to find your business so rapidly increasing. We presume your teas are giving general satisfaction, as out of the large amount forwarded, we have only had occasion to return one box which, we understand, was sent out through a mistake. G. CHENEY, Manager Canadian Express Company.

WILLIAMS, 1868.—To the Montreal Tea Company: Gentlemen, I am in receipt of the five boxes of Tea sent me, and can assure you it gives me great satisfaction. STAMMERING AND STUTTERING.

TREATED UPON A NEWLY DISCOVERED PRINCIPLE. Prof. LEWIN, of Virginia, informs those afflicted with impediments of speech, that he has taken rooms at the UNION HOUSE, Ottawa, where he may be consulted from 8 a.m. to 9 p.m. He is prepared to treat such as to enable them to speak and read with distinctness in the short space of two hours, with but few exceptions, without distress or pain to the patient. The patient will be convinced both of the grandeur and beauty as well as the efficacy of the treatment. All cases must be more or less benefited by said treatment. Should the treatment and remedy not be accepted, no charge will be made. Professional gentlemen and especially invited to witness the treatment. No charge for consultation. Prof. LEWIN will remain till the 10th September in Ottawa. Those who do not call on him at Ottawa can do so at Prescott, where he will remain from September 10th to 20th. See the following testimonials which he has obtained from gentlemen in Montreal, as an evidence that it is no humbug: Prof. LEWIN is now in Ottawa, and is so satisfied with the success of his treatment, that he is prepared to recommend it to every family. It is of OTTAWA MANUFACTURE. THE EXCELSIOR HANGER is constructed in a square form, and can be lowered to four feet, the height at which any medium-sized person can put clothes on, and by means of a small crank and tooth rack can be raised to a height of eleven or twelve feet. It occupies but about twenty feet square, and can be put up on a house top, or in a yard. The model of this machine can be seen at BIRKETT'S HARDWARE STORE, Rideau-street. Where orders will be taken. In a few days a number of agents will canvass Ottawa, explain the model, and receive orders. 833b

Montreal, July, 1868. We fully concur in the above, having witnessed the successful treatment of Prof. Lewin in other cases. Charles Smallwood, M.D., LL.D., D.C.L., J. R. Smallwood, M.D., J. W.
