THE Hon. Dr. TEPPER, C. B., arrived here on Saturday from Montreal, where he had been presiding over the deliberations of the Dominion Medical Association, of which he

To pay we give up a considerable portion of our space to the letter of our occasional correspondent " Unionist," from Nova Scotia, It will no doubt be read with interest at the pre-

THE trial of WHELAN commences morning at nine o'clock.

There was a considerable amount of speculation in town on Saturday as to the probable result, and no small degree of wonderment expressed at the success of Mr. John O'FAR-ELL, in securing three leading members of for the purpose of reporting the WHELAN trial member of the Ontario Government, to suspect. well excuse the public curiosity which exists concerning the means which have brought it about; but these means no doubt may be conveniently designated as consisting from Fenian or pro-Fenian sources, and that sel, were not happily powerful enough to get is accused of a crime presumed to have been committed in its interest, and it is only upon this presumption that the "raising of the wind," and the consequent feeing of Counsel, can be rationally accounted for. But there is a mischievous notion abroad

culated to defeat the ends of justice. This is should not assume beforehand that any number of able lawyers can warp the judgment of the jury so as to make the verdict other than that which on their oaths, and before God and man, they are bound to find.

helpless girl BABIN into the ice-hole in the river on a cold winter's night; and neither LACROIX is at least speculation. Such silly rumours can everything there will be sifted to the bottom -the character of the professional men both sides is an abundant guarantee for that-but they are calculated to give the public erroneous notions, which it is not well to allow to go abroad; and, therereport concerning the witness Lackorx, a retion, but which we then deemed too absurd

face. The Nor'- Wester makes an appeal to the following from Bishop TACHE, from which our readers will be able to judge that the appeal made by the Nor-Wester is eminently BISHOP'S COURT, ST. BOXIFACE,
