BUCHU, CURRES, JUNIPER, GIN, COPAIRA, and other direct diuretics, are in many cases hurt and other direct diuretics, are in many cases hurtful, and when used as general remedies, unless under the supervision of a Physician, may do much injury—although Buchu is recommended as a diuretic, in the Pharmacopoxia, it is with the view of being administered as an agent, in certain conditions only as a diaretic. In many cases where the Kidneys are slothful, and a powerful action is required, it may be used with benefit, but only under the inspection of the medical attendant, as the increased action it may induce, and the damage it increased action it may induce, and the damage it will cause by suspending the functions of the skin, liver, bowels, etc., may on the next visit of the Physician require an opiate, to medify or arrest the Trains not great strain and labor the Kidneys suffer from its as follows: exclusive action as a direct diuretie. Now these facts are known to every well informed medical man, hence the error of using this agent, in all-torms of Kidney, Bladder and Urinary diseases. A compensating remedy that removes and cures all THE ST. LAWRENCE & OTTAWA RAILWAY diseases of the Kidneys, Bladder, Urinary Organs, Scrofula, Skin diseases, etc., like Radway's Sarsaparillian Resolvent, that contains Paretra Brava, a far superior diuretic to Buchu, that communicates its curative powers through the Blood, Sweat and Urine, and pairs their waste of the body with new and healthy material frem pure rich blood, that does not augment the secreting functions of one set of organs by suspending the secretions of others—is the only sensible means of cure.—To give Buchu, in cases of Diabetes, cen-stant flow of urine, weakness, or catarrh of bladder, albumen or sugary urine, lithic acid, or brick dust deposit, is like giving salts to stop diarrhous. If afflicted with urinary difficulty, or troubled with weakening purulent, or irritating discharges, a few doses of the Sarsaparillian Resolvent will do more good than gallons of these direct and exclusive

> Dr. Nicolao Joaquim Morecio, the celebrated physician and chemist of Rio de Janeiro, bears the following to the Pareira Brava, as prepared under the process of Dr. Radway, says: "Gwoffany extols its diuretic virtues, Hochner cites its properties against ascites, tympanetis, asthma and leucorrea. It is recommended in dyspepsia as a stomachic according to Pison and Descourtel. The juice of the leaves is applied to the bite of the cobra making the party bitten drink of it at the same

European Physicians from 1688, have held this root in high estimation, and Sir Benjamin Brodie root in high estimation, and Sir Benjamin Brodie used it as a speciality in all cases of Kidney, Bladder, Urine and Womb diseases, and as lithon-typic in dissolving stone and calculous concretions—this great reputation was gained in its crude state. Under Dr. Radway's process, the active properties of the root, called Compaline, is used, and one cunce of it, as a curative agent, is worth more more than all the Buchu that ten generations of Horrantors' or other savages will ever gather.

So with Sarsaparillian. One ounce of the pure extract of Sarsaparillian of Dr. Radway's contains more of the curative principle of Sarsaparilla, than ten pounds of the crude root, as used in adul-erated Sarsaparillas.

So quick is the Sarsaparillian Resolvent in entering into the circulation, that it commences its work of purification at once. Pimples, Blotches
Pustules, Tetters, Worms in the Flesh, Black Spots,
etc., are removed by a few doses, and the skin restored to a beautiful clear appearance. Price et Radway's Sarsaparillian, or Renovating Resolvent, \$1 per bottle, or six bottles for \$5.
