TENTOTS. Intelligent agents under pay from DOCTOR Sandpoint leaves at RADWAY are sent to the following countries to engage the most competent natives to gather and select the vegetable substances used in Dr. Radway's Sarsaparillian Resolvent. To Wit: Prazil, S.A., Jamaica, W.I., British India, Persia and Japan. (By correspondence.) Some years since it was deemed necessary for the protection of the public against the importa-tion of spurious roots and drugs, for Congress to pass a law establishing an Inspector of Drugs in every port of the United States. But this wise precaution does not prevent the importation of spurious roots, leaves and medicinal herbs. Neary one half of the Sarsaparillas, Pareira Brava, Peravian Bark, etc., brought into this country and Europe are spurious, and when prepared for me-dicinal purposes are, in fact, useless, and fails to produce the beneficial results that the chemist and physician expect to realize. That no such objection may exist, and that the public may depend on securing the true roots in the Sarsaparillian Resolvent, Dr. Radway has adopted the plan of gathering the several roots, etc., used in his medi-

cines, under the direct supervision of trusty and and it is one long needed. The loose manner in which vegetable barks, roots, leaves, gums and other medicinal substances are gathered by ignorant natives, half savages, Hottentots, &c., and the cupidity of these rascals of substituting spurious for the true, in selling these roots, &c., to traders, causes many mistakes, and often disappoints physicians in prescribing a root possessing known proand they have given full satisfaction in every re- perties in not fulfilling their expectations.
