THE WHOLE DOMINION SHOULD BUY THEIR TEAS OF THE IMPORTERS,

THE MONTREAL TEA COMPANY, 6 Hospital-street, Montreal.

Our Teas, after the most severe tests by the bast medical authorities and judges of Tea, have been pronounced to be quite pure, and free from any artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20, or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on receipt of the order by mail containing money, or the money can be collected on delivery by express man, where there are express offices. In sending orders below the amount of \$10, to save expense it will be better to send money with the order. Where a 25 lb bex would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each
