of India. The Azuba Gallas settled in good heart and a simple nature. hood of the Azuba Gallas.

rare. Brown, grey and chestnut are the common colours. Most of the little fe'lows are marked with the fly-bites which are often seen on horses bred at the Cape of Good Hope. This shows that the Skating Rink Music Hall-Cool Burgess. cattle-fly, of which we at one time heard so much, is at least no myth, although, hap- Watch Lost-Xavier Claimond. pily, we ourselves saw nothing of it. The House to Let-Cunningham & Lindsay. with which these horses gallop up Brown's English Roofing Paint-Austin & Caand down the steep hill-sides, or bound with unerring footstep over the most broken ground, is a good illustration of what may be effected by early education, especially when transmitted to generation after generation. The circumstance of shoes not being required for them, cannot be fairly quoted in proof that shoes might , be dispensed with for our horses generally, because the soil of the country in which they are used is very soft. It is covered with stones, it is true; but there is a difference between the hoof becoming hardened so as to endure with impunity occasional shocks from those on the one hand. and of acquiring the power of resisting the attrition produced by gravelly soils on the other. Nothing but iron will be proof for many days together against the constant wear and tear of the latter process. The extreme docility of the Galla ponies, and of Abyssinian horses altogether, is a proof of their masters' humanity and evenness of temper. It is doubtful if any horse Nothing could exceed the kindness and

Special to THE TIMES.

TORONTO, Sept. 28, 1868. The flon, John Carling has been chosen Director of the Great Western Railway in the place of Thomas C. Street, Esq. Sermons were preached in all the churches connected with the Evangelical alliance yesterday, favoring the Saturday early closing movement, as a means for securing the better observance of the Lord's day.

It is reported that flenry Howland, Esq., is about to resign the Presidency of the Toronto Grey and Bruce Railway Company, in order not to endanger the passage of the by-laws in the back townships granting a bonus to the read, as the unpopularity of his conduct in connection with the West York election, is thought to have turned the people against the
