TO FARMERS & OTHERS. Mind where you

BUY YOUR TEA AND COFFEE. Our Teas and Coffees, after severe tests, have been pronounced by connoisseurs to be of superior quality, and free from those poisonous substances so often used by the trade. Hundreds of packages have been forwarded all over the Dominion and never on any occasion has any package been returned. They are pronounced to be of the finest quality, and 20 per cent cheaper than the usual rates. In addition to the quality and cheapness, each customer is turnished with catties, boxes and tin hermetic catties, which have been chosen so as to preserve the strength and flavour. For the accommodation of farmers and private families, we have arranged to sell our Teas and Coffees in 5 and 10 lb packages and upwards, thus affording every person a chance to taste our articles. Parties forming a club can order 4 five or 2 ten pound boxes, when the carriage will be paid to the near-est Steamboat or Railway Station. Any order not giving satisfaction, can be returned at our expense. In sending orders, to save charges, it would be

better to enclose the money, or the amount can be collected by Express or Steamboat Agent. All orders sent us by post will receive prompt atten-BLACK TEA. Common Congou, Strong Tea...... The undersigned Provincial Land Surveyor and Civil Engineer has opened a Railway Practice Office over Hope's Stationery Store, corner of Elgin and Sparks-sts., and nearly opposite the Russell House, Ottawa, where he will be prepared to furnish parties intending to TENDER FOR THE CONSTRUCTION OF THE INTERCOLONIAL RAILWAY with Plans, Estimates, Specifications, Cubic Contents of Earthworks, of Masonry, &c..

and all other necessary information to facilitate their object.

The tables of cubic quantities, which he uses, have been specially calculated by himself by the Prismoidal Formula, to which, he need scarcely add, ere much more accurate than those tables (Frontwine's) ordinarily used; and which are correct only when the surface is level longitudinally and transversely, sometimes amounting to an error of 25 per cent., and always as against the con.

He will also be prepared to furnish designs, drawings, specifications and estimates for bridges, works of construction generally, and all other busi-ness connected with his profession. Also, A GENERAL AGENCY For the transaction of business with the various Departments of the Dominion Government.
