SEE FOURTH PAGE. DRILL REFORM. What more acceptable gift than a beautiful the present drill under the direction spear and shield. "prentice hand" at the work of reform, or many a triumph—I mean the bayonet charge rather we should say, he has been compiling —a thing of the past, and a charge of cava system of drill from the ideas of other of which Frederic E. Church, the great American amateurs, and this compilation by some means artist, says: "They are certainly most skilfully and artistically executed." And John G. Whittier: found a place in the London (Eng.) Volunteer | funeral of this well-known gentleman and "I had no idea they were home productions; I Gazette. It is in refer nee to this compila- distinguished officer took place at his son-inam glad to know that such beautiful work is | tion that Col. MacDonald writes, as follows :- | law's restience, (M. de Beaujeu) the Cedars, done here." And Bayard Taylor : " Your illuminations of the Beatitudes are really superb." And Drill" I am now more especially referring, and's triends in this city. Service was said Wendell Phillips; "I congratulate you on your seems to think that the term "front" has in the church of the Cedars by M. L'Abbe Prang's American Chromos are fac-simile re- his command, and that the direction in the vault of the De Beaujeu family. Senator productions of masterly oil and water-color which they face constitutes their front, Ryan and Messrs. Hugh Taylor, William paintings, so skilfully and artistically done that it requires the experience of an expert to detect the difference between them and their originals. Among them the following are the most atfront, and that front is the position of the tenille, etc., etc.-Ib. enemy!' The front of an army, and of every The two Friends. (Child and Dog, after Geraud.) regiment in that army when in the field, is the position of the foe against which that army is operating. But I shall be told that this does not meet the question. Suppose Early Autumn on Esopus Creek, N. Y. (After A. a line to be suddenly attacked in rear, what ther.? I reply that such an attack can be Late Autuma in the White Mountains, (After A. quite as well met by the order "Right about face" as by that of Right about front. Six American Landscapes. (After A. T. Bricher.) There is a change in the word of command, Strawberries and Baskets. (After Miss V. Gran- but no other change that I can see. The equal rapidity under the present system. No, Sir, we can never do away with "front" in manœuvring so long as we have a supposed enemy before us, and I confess cannot see what advantage is to be gained by doing away with a "tront rank" and a " rear rank" in the termation of a regiment on parade. I ask any of the advocates of the "No front" system to point out what they can do better or more rapidly in any one of the movements authorized in the Field Exercise. What advantage have they to offer in lieu of the many and great advantages arising out of a permanent front and rear rank? I confess I can see none. Wood Mosses and Ferns, | After Eller, Robbins. Bird's Nest and Lichen. [After Ellen Robbins.] the retirement is made. The Beatitudes of Our Lord, most magnificently Illuminated School Room Cards, with mottoes more square a company goes into line the women! more steadily will they halt and the more effectually give their volley.

INSIDE BEDLAM .- Another illustration exhibiting cecebral and spinal sympathy was Colonel Brunel recommends his mode of brought to my a tice, also re-uiting in t me wheeling into line by the statement that porary less of reason. A young m reist la v " in a battalion of 600 men, 300 rifles may | whose sister was an invalid, was int e tabt be at work by the time the wheel is one of visiting her daily. On one occ si on the half completed." But had Colonel Brunel | door was op ned by a strang servant, who, known the staggering and fatal effects of a when intercogated as to the con i io a of the well-delivered volley on wheeling a battalion invalid, replied, "I have not bead how san into line, he never would have held up this is to-day.' The lady then and u and her loose and scattered file-firing of each man name and relationship, and process district as he took his place in line as any recom- to the bedroom of her sister. To her her or mendation of his system. Put it it were she found her a corpse, and the body pe and desirable, the same thing could be equally for interment. The shock at on e o reit e well accomplished by the wheel in the usual of reason, and at the same time occasioned way. The men of the inner subdivisions a painful spinal complaint which prevented the outer, and if file firing was to be the the patients many with suicidal tendencies? would of course be in line before those of rule 300 rifles would as effectually be at I inquired as we passed by one who stoot work "by the time the wheel was helf leafling with her head on the arm of a so's, in Note Paper, Envelopes and Cards, with Mottoes | completed." As to wheeling from open any means so many as you might suppos -most exquisite in design, and all new patterns, | column into line to either flank, it is already | was the reply; "but their cunning is done every day, and so is the formation of great that it is very difficult to prevent line on the move from quarter distance suicide if such be their fixed determination. column to either flank upon the rear com- It seems that a patient who meditates selfpany. And although not in the Red Book, destruction will wait patiently for months for this movement is a most valuable one, an opportunity, and then exhibit extraorbecause you open fire at once from one disary eleverness and fertility of resource in company, and thus cover and defend the the attempt. In one case at Bedlam a woman movement. This object, I venture to say, contrived in some undiscovered manuar to lies at the very root of all improvements in obtain possession of a lucifer-match, which she drill. Every movement should be so ordered secreted until she eventually succeeded in as to bring, if possible, some portion setting fire to her clothes, and inflicted injuries of the battalion or brigade into immediate from the effect of which she died. There are action, so as to cover it. This is the great but two or three refra tory cells in Bedlam, advantage gained by the new rule for and these are rarely t-nant d save for a few deploying on the front company. In action hours at a time. The barbarous practice of that company would at once deliver the chaining the unhappy manife has long since volley and commence file-firing, and thus been discontinued. The "pad led room," as In Coloured and Bohemian Glass, Bar Decanters, cover the deployment. The old mode of it is called, is now the only punishment (if Metal Top Sugar Bowls, Bitter Bottles, and a deploying on a centre or the rear company such it can be termed), but there is nothing Variety of other useful articles, for Hotel and left the battalion defenceless for a time. dive sted of turniture save a thick mattress on And this leads to the remark, that our the flour; the walls are padded with wool, Crockery, China and Glassware, rented to pri- present mode of forming company squares horse hair, and cuttings of cork, and the inis faulty in this respect. Instead of forming side of the door is similarly protected; the close column of sections on the second window is high up, and placed beyond the section, which admits of no defence during reach of the patient. Should the condition of the formation, the columns should be formed | the sufferer be such as to involve danger to in rear of the right centre section, so that himself or any of the other inmates, he is an immediate fire might be opened from conducted to the padded room until the that section upon the approaching cavalry, paroxysm has passed away; after which he is In one proposed change of Col. Brunel's time suffices to exhaust the strength of the Our Teas and Coffees, after severe tests, have I cordially concur, and have long wished to unhappy patient; and sleep (in his case inbeen pronounced by connoisseurs to be of superior | see it adopted by the service. I allude to | deed "a blessed thing") assists more than any quality, and free from those poisonous substances | the formation of line to the front or rear from | other remedial agent to soothe the nerves so often used by the trade. Hundreds of packages open column of companies at the balt. The have been forwarded all over the Dominion and present movie of wheeling back the companies, the padded room and the connever on any occasion has any package been re-turned. They are pronounced to be of the finest

THE PRINCE OF WALES' REGIMENT .- Last evening this fine regiment assembled at the Victoria Armoury, in order that the new militia act might be explained to them. Major Bond briefly addressed the men, and afterwards read the several clauses of the act. Captain Robinson also addressed the men, and told then that he hoped every member of the regiment would stand by the officers and bring the regiment up to its tull supernumerary rank can be got rid of in strength and former state of efficiency. Over Cherries and Basket. (After Miss V. Granbery.)

the very same manner and quite as quickly in the one case as in the other, and a volley delivered against the assailants with at least the regiment was dismissed. It is understood that the gallaut Colonel who has so long commanded this popular regiment is about to retire, and his place will tikely be filled by the pext in command, Major Frank Bond. We also learn that the splendid band of the regiment will re enrol for the full period of three years. We trust, under the new regime, the regiment will sustain its famous motto, nulli secundus .- Montreal Gazette.

DEFEATED BY A GIRL.-The Presquo Isle. Me.) Loyal Sunrise says: - A young man of our village (he relates the story Limself) who fought but didn't die at Antietam and Gettysburg, went into the province, on foot, with "The front," says Colonel Brunel, "will some articles for sale. One night just as the always be in the direction in which the men | sable custains of the evening were being loware facing or moving." I submit that in ered upon him, he applied at a very respecwar it cannot be so, and in support of table looking house for entertainment. He this opinion I quote again the concluding was very kindly received by a young lady, paragraph in this clause as follows: " except ) who happened to be the only one of the during a temporary retirement." This im- family at home, with whom he partook of the plies the fact for which I argue-namely, evening meal, and everything seemed to our that there is a permanent front from which hero to be going " merry as a marriage bell." It seems, however, that the young lady began "I have said that the ulterior object of a to suspect that in "entertaining a stranger" movement seems often forgotten by some of she had not entertained "nu angel." But now the writers who advocate radical changes to get rid of him was the trouble! At length in our system of drill. They seem satisfied she asked him if he could jump well, saying that she could jump farther than any Yankee Illuminated crosses, Book Marks, Rewards of if they save a few seconds of time, or a few living. This was a "stump" which the hero inches in the distance to be passed over, of a dozen tattlefields was not disposed to take, The Language of Flowers, Wood and Sea while other important points are overlooked. and so they arranged for the trial of leap frog. For example, in deploying to engage an The young lady, placing herself against the enemy it seems to be forgotten, or not opposite wall, at three jumps reached the door. understood, that nothing tells so effectually | Our Yanker now took his station for the trial, as the suncession of volleys from each com- At two bounds he nearly reached the door, pany as it takes its place in line.
