MONTREAL.

Grand Reception to His Excellency the Governor-General.

Every Honour Paid to the Representative of Royalty.

Addresses from the Legislature and all the City Societies.

THE BANQUET.

IT IS A GRAND SUCCESS.

A Large Number of Distinguished Guests : Present.

SPEECH OF HIS EXCELLENCY. Speeches of Lieutenant-Governor How-

and, Hon. John Rose, Hon. Mr.

Campbell, General Wyndham,

General Bissett, &c., &c.

Royal Artillery.

military, judicial and civil. These formed hint, dropped by the Premier, Sir John A.

Tims was owing to a dispute between the St. | caution will not be forgotten, for however George's and St. l'atrick's Societies as to the desirable these great works may be, too high order of precedence, each claiming the right a price may be paid for them. [Hear, hear.] to be presented first. Happily this difference, An emtarrassed Exchequer would be a bitter which ought to have been settled before the penalty to pay for any undue haste, [hear, parties entered the building, caused nothing | hear,] but this caution apart, or rather there unseemly than a delay. At length the should say this caution observed, or heeded, Presidents of the St. George's, St. Andrew's I trust this country will proceed rapidly in from the Governor's presence.

corps, and many holding official stations, as the past year. (Cheers) also the representatives of the Catholic clergy and the seigniory of Montreal.

The ceremony concluded at about half-past

and received a suitable reply.

Royal Family." In proposing "His Excel- Empire at large. The officers, as well as the those ten years in which our political conlency the Governor-General" he said that so men, have intermarried; their feelings are nection has been more intimate than perhaps soon as the Corporation of Montreal heard of very much the same, and they have always they are now, is that you have been very the arrival of His Excellency in Ottawa they been received with such cordiality and kind- kind indeed to my few virtues, and very guest of the corporation and the citizens generally. All the people felt delighted at his and I firmly believe that not only this com- not make this public acknowledgment of kindent feelings and heartiest welcome. Although spontaneous the cause of the esteem was not accidental, for the people of the Dominion heard with delight the appointment to the high and important office of Governor, one whose conduct in the government of sevetal dependencies of the Empire heretofore committed to his charge had exhibited the highest qu dities of statesmanship. (Applause.)

subsided he said, Mr. Mayor and gentlemen, if it were allowable to find fault on an occasion like the present, I should be very much | ed well for the country, and the country inclined to quarrel with the flattering terms should evince its gratitude towards the disin which your excellent Mayor has thought fit tinguished heads of their respective governto speak of my past services. My own feel- ments for their encouragement to such an ing with regard to them is that they have been important interest. I think I utter but the very imperfect, though they have received the voice of both Provinces when I say that both approbation of those with whom I had to deal, these distinguished officials have the confiand have been amply rewarded by my sove- dence of their people, and that the honours reign [cheers.] I am very sensible of your which they are now enjoying are well earned kindness, and I extend to you my best ack- tributes for long and faithful services rendernowledgment for your sumptuous hospitality ed to their country in years gone by. (Apand reception. I cannot accept of it as per-sonal to myself, but as a tribute paid by this great company to him who does England's message here (loud cheers), and as a token of the whole community that they value British follows: connection, and are contented with the institutions under which they live (renewed men-I can scarcely find language suitable cheers)—institutions wisely framed in accordance with the wishes of the people, by the united wisdom of British and Canadian the highest gratification that anything could as the prisoner's signature is necessary in such
