At this season, when coughs and colds are so revalent, an effectual remedy, and one easily obained, is Perry Davis' Vegetable Pain Killer. It is no new nostrum, vended by unknown agents, but has stood the test of over 20 years; and those who use the article, internally or externally, will connect with it grateful recollections of its worthy inventor .- Hastings' Chronicle, C. W.

PAIN KILLER.—The testimonials borne to the officacy of this valuable medicine are sufficient to warrant its introduction into every house. Our own opinion is that no family should be without a bottle of it for a single hour. In flesh wounds, aches, pains, sores, &c., it is the most effectual remedy we know of. A bottle will last for a very long time, and its low price places it within the reach of all. Our readers will remember that the Measrs, Perry Davis & Son have opened out a house in Montreal, whence Canadian orders are supplied .- News, St. Johns, C. E.

have every reason to believe it to be an almost never failing cure for pain, and is a medicine that no family should be without .- Montreal Pulot.

Rov. H. L. Van Motor, Burmah, writes, " The article in my family." Hundreds of missionaries give similar testimony

of its virtues. Rev. J. G. Stearns writes, "I consider it the best remedy for Dyspepsia I ever knew." Rev. Jabes S. Swan says, "I have used it for years in my family, and consider it an invaluable
