This question is exciting great interest in this country. The following letter from Mr. W. Dixon appeared in the Times of January 27 : In 1865 the Limerick guardians made a Gen. Cabellero de Roda is to succeed Gen. shipment to Quebec of seventy-nine girls, Dulce as Governor-General of the Island of who were forwarded to Montreal, and placed 180in the St. Patrick's Home until situations could be found for them. Of this lot the 575 Rev. Father O'Brien, manager of the home, wrote to the emigration agent :-The conduct of the girls was anything but what it ought to have been. The nuns in charge of the home were shocked at the name of Iberia, which has been recently con- impropriety of their conduct. Some years 450 ago a batch of girls were sent out to Monreal from the North Union Workhouse, Dublin, whose conduct was most scandalous; the traces of whose shame in the lying-in hospitals, in the public gaols, and the corruption of the public morality are felt even to the present day. Wherever they went sin, shame, and death where in their track. I Naw Your, February 23 .- The Herald's think it very strange that the Government of this country (Canada) loes not protest against Instead of harrassing the Spanish troops by this wholesale influx of pauperised corruption useless pursuits, all the fortified points will into the land. I cannot promise to receive this wholesale influx of pauperised corruption into the home such another batch, but when no military operations of an offensive nature you have any reasonable number of poor will be carried on. An American blockade girls from the dear old land who have pot the runner slipped through the Spanish war ves- stigma of the workhouse upon them, we will sels on the coast at night, and landed a cargo receive them with pleasure, and do all we for the insurgents. Intelligence from Man- can to procure such places as may secure zanillo reports that the insurgents have cap- for them a comfortable livelihood." In 1867 the guardians of an East London HAVANA, February 23 .- Gen. Dulce has is- Union voted a large sum of money to be applied to the shipment of paupers. These people on arrival at Quebec were sent at the expense of the Canadian Government to inland towns, and employment found for them by the emigration agents. Some of the men and women proved to be disorderly and intemperate. Others were lazy, and could not or would not adapt themselves to circumstancer. Two of the men absconded, leaving their families to be supported by the public; ness of Gen. Dulce. The insurgents had a another was brought before the magistrates battle with the troops at Moyajiqua, near for threatening to burn a range of buildings, Remedias, and defeated them, capturing the &c. A gentleman who was on board the town. Frequent accounts are received of smal- | vessel which carried these people to Canada informed me that he had never met with so debased and utterly worthless a set of creasometimes in favour of the rebels and some- tures. Last summer a board of guardians in he sold cheap. times in favour of the troops. The rebels a large town in one of the midland counties decided on voting funds for the shipment of a few workhouse inmates to Quebec. According to the reports of their proceedings afternoon, announcing the organization of a which were published in the local papers, one of the members thought it would be a saving to the ratepayers to ship them, because one of those selected had already cost them £150 for keep and clothing. Another thought it would be unwise to choose girls who were | The Sale will commence on MONDAY known to be honest, industrious, and worthy -as there was not the slightest difficulty in getting good situations for them-where girls like those selected for emigration would be refused. Another guardian said the selected ones were too idle to work; they might get situations if they liked, while the vice-chairman of the board, who was also Mayor of the town, opposed the sending of girls trained in their schools, who generally turned out The Perusia says that it is useless to in- | good servants, but would support the sending delge in allusions as to the state of affairs in of those that continually hung on their hands. the interior, but we must acknowledge that | With such samples as the above of the conthe condition of the inhabitants could not be duct of the paupers already shipped to their worse. There is no other pelitical news of im- shores, is it surprising that the colonies should be slow to second the efforts of the mother country in riding herself of the incubus of her pauper population?
