INGLIS' NEW BUILDINGS, SUSSEX-ST.,

OTTAWA.

The subscriber respectfully announces to the inhabitants of Ottawa and surrounding country that at the request of many friends he has decided on opening an extensive and well regulated Auction Mart in this city.

From arrangements made with some of the Furniture Manufactories of Western Ontario, a large and well selected stock of new furniture will be constantly on hand.

The Mart is now open with a large stock of new Furniture, as well as Pianos, Harmoniums, &c., &c., consigned for sale.

The subscriber would also intimate that he is the Sole Agent for Ottawa and territory for the sale of Rappe, Webber & Co.'s celebrated grand Pianos.

From their long experience in Germany, Paris, and New York, they are universally admitted to be the best Piano Manufacturers on this continent.

The high reputation of the instruments made by them for the past ten years, and the increasing demand for them in the new Dominion, prove their very superior quality, and universally acknowledged merit.

The Pianos, as well as the Furniture in the establishment, will be sold either by private sale or auction.

He would also announce that he is prepared to receive instructions from persons having household furniture, horses, carriages, or real estate, to dispose of, and pledges himself that nothing will be left undone by him to give satisfaction in discharging the trust confided to him. He hopes that by strict attention to the sales entrusted to his care, as well as by prompt settlem nts immediately after, to merit a share of public patronage.

He will be in his office from 7 in the morning until 7 in the evening, when he can see parties who wish to arrange about their sales. Consignments from a distance will have immediate attention.

Cash advances, when required, will be made on consignments for immediate sale.

All kinds of furniture bought, sold or exchanged.

and there only will it be visible that we eclipse all others in this city for

CHEAP GOODS.

We have resolved to change our business, and will, without any humbugging, sell

GOODS EXTREMELY LOW,

for that indispensible thing—Cash, and continue to do so during this month.

The winter being far advanced goods for this season will be sold at figures to induce anyone to buy, and spring goods being in advance of the season will be sold lower still.

Our stock is new, and composed of

We will not give the prices of our goods, for this reason—that other houses would offer inferior goods at the same figures, and induce their customers to believe they were as good value as ours.

Come and look, and price our merchandize, and you will then be satisfied this is not a mere puff, but a reality.

Mothers Read This!—Holloway's Worm Lozenges are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing; and understanding the symptoms and true cause of the disease thousands of children might be saved from early graves. SYMPTOMS OF WORMS.—The following are a few of the very numerous symptoms and diseases which are caused by Worms: deranged appetite, emaciated extremities, offensive breath frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; itching of the arms, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as in the use of other Worms.

Each box contains the fac-simile signature of NORTHROP & LYMAN, Newcastle, C.W., who are the sole proprietors.

Coughs and Colds.—Sudden changes of climate are sources of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges. Few are aware of the importance of checking a cough, or "common cold," in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, having a DIRECT influence on the affected parts. As there are imitations, be sure TO OBTAIN the *genuine*. Sold by all dealers in medicines, at 25 cents a box.

There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cents. D. R. LEAVENS,

AGENT FOR THE NEW METALLIC

"NON-EXPLOSIVE LAMP,"

now offers to the public this valuable improvement. The principle employed by Sir Humphrey Davy, in his celebrated

"MINER'S SAFETY LAMP,"

is strictly adhered to, rendering it safe from

THE POSSIBILITY OF EXPLOSION;

besides this most important feature it possesses every good quality that is desirable in a lamp. It will not break if dropped upon the *floor.* If overturned no oil will escape. It will carry a large flame without smoking; this flame is steady, and so protected that currents of air do not affect it, rendering it a convenient lamp to carry about the house, and is not liable to get out of order. The lamp is made of metal, and cannot be broken, hence no danger from that cause.

THE CLAIM FOR THIS LAMP IS

First—Absolute safety under all circumstances.

Second—Greater light with less consumption of oil.

Third—Beauty and perfection of finish.

A SAD CASE.

This afternoon will be buried the last member of what a few years since was one of the happiest families in town. Blessed with plenty of this world's goods, nothing seemed to trouble them, and everything went on smoothly. But the man went into speculations, and little by little the money was lost, until he was considerably reduced, and forced to go to work for a living. With what remained of their fortune the wife furnished a house and kept a number of boarders. But nothing seemed to prosper. The boarders left, leaving unpaid bills, and one of them at last seduced a daughter of the landlady, and when her shame became known the guilty man was found to be clerk in a Main-st. store. He was forced to marry her, but immediately after left for parts unknown, and has not been heard of since. The girl gave birth to a daughter, which lived a few weeks and then died. Last fall the father of the family died very suddenly at 5 o'clock in the morning, and was buried at 5 o'clock in the afternoon. Last week the mother was taken sick with diptheria, and died in a few hours. Her remains were conveyed by the midnight train to a neighbouring city, and buried the next morning. The daughter took the disease of the mother, and after a few days of intense suffering she too was released by death, and so the last member of the family is gone. A sad story.—*Hartford Times, 4th inst.*
