CONCENTRATED LYE. CAUTION TO THE PUBLIC.

The remarkable success which has attended the troduction of the celebrated Concentrated Lye into Canadian market, by the subscriber, has excited the capidity of an apprincipled firm in town (which has already been convicted of borrowing other people's brains) by a spurious imitation called Saponifier. To avoid disappointment, purchasers should be careful to ask for Harte's Conencrated Lee, which is sold by all respectable bruggists and Grocers in town and country. 783y
