TORONTO.

Special to THE TIMES. Toronto, March 16. Some further light was thrown on Taylor's flight today. A letter from Scott, the wharf-keeper, has been received, in which he confesses to have given Taylor a false receipt on which Taylor obtained advances from the bank. The exact amount is not known. It would thus appear that Taylor's flight was a carefully planned one, rather than a hasty one.

MONTREAL.

Special to THE TIMES. Montreal, March 16. Dr. G. W. Campbell was yesterday elected a director for the Bank of Montreal in the place of the late John Rodolph. Hon. Thos. Ryan was elected vice-president. The line of the Grand Trunk Railway is again being unaccommodated by drifts of snow. The train due at Montreal this morning is delayed, and at three p.m. today was stuck in the snow at the Lachine bank. Assistance was being rendered, and endeavours to clear the track are likely to be successful, and the train may arrive this evening.

QUEBEC.

The Whittaker Case—Chalmers Committed for Murder by the Judge of the Sessions. Special to THE TIMES. Quebec, March 16. The investigation in the Chalmers case was conducted this morning before the Judge of the Sessions who closed doors. The evidence produced was exactly the same as that in the previous investigation. The Judge of the Sessions committed Chalmers for murder, to take his trial at the next court of Quebec, which will take place on the 24th of April, under the new bill of Salvo-General Inquiry, changing the term of the Crown side of the Quebec Bench.

PORTLAND.

CABLE NEWS.

LONDON, March 15.—In the House of Commons last night a Bill was introduced by the Solicitor General to repeal certain laws, and also certain statutes, affecting the constitution of the Universities of Oxford and Cambridge. The Bill was debated at length and after much opposition was read a second time. LONDON, March 16.—In the House of Commons this evening the Mayor of Dublin appeared at the bar, and presented petitions praying for the establishment of religious equality in Ireland, and that an amnesty be granted to all Fenians. In reply to a question asked by Mr. Torrens the House was informed by Mr. O'Connell, Secretary of the Foreign Department, that the Government would soon bring in a bill establishing a uniform and permanent law of extradition.
