EVERYBODY SAYS SO.—That is all who have either used the article themselves or witnessed its effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Heave Remedy" is superior to anything of the kind heretofore or at present in use for coughs, colds, thick wind, and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and which they should have constantly on hand. Remember the name, and see that the signature of Hurd and Co. is on each package. Nortarop & Lyman, Newcastle, Ont., proprietors for Canada.

OVER-EXERTION, either of body or mind, produces debility and disease. The usual remedy is to take some stimulant, the effect of which is the same as giving a tired horse the whip instead of oats. The true way is to fortify the system with a permanent tonic like the Peruvian syrup (a protoxide of iron), which gives strength and vigor to the whole system.

CHOICE

FARMING LANDS FOR SALE

IN THE COUNTIES OF

KENT, ESSEX AND LAMBTON.

The subscriber has been instructed to offer by private sale, in the Town of Chatham, early in June, the lands situated in the above Counties, belonging to Arthur John Robertson, Esquire, Inverness, Scotland.

The lots in the County of Kent, consist of 62 farms, and 2,500 acres Wild or Unimproved Lands. The farms, varying in size from 25 to 600 acres, are situated in the Townships of

RALEIGH, TILBURY EAST, CAMDEN, HARWICH AND DOVER, AND TOWN OF CHATHAM,

All of which are most eligibly adapted for farming purposes, and their situations as regards natural advantages, fertility of soil and climate, cannot be surpassed in the Province.

Of the above, 34 farms lie in the Township of Harwich, contiguous to the shore of Lake Erie, one of the finest Agricultural Sections of Canada, capable of producing all descriptions of grain and root crops, and from their southerly exposure specially adapted for the breeding and raising of stock; the geniality of the climate also permitting of the cultivation of the various kinds of fruit. Considerable attention is now being devoted to the planting of Grapes, which have arrived at great perfection in the neighbourhood. There are excellent well travelled roads throughout the township, and the distance from Chatham is only 12 miles, where the highest price has been paid for farm produce of any market in Ontario.

The projected Southern Railway will run through a portion of the Harwich property.

The lands in the County of Essex are situated in the Townships of

SANDWICH EAST, MAIDSTONE AND ROCHESTER,

and from their proximity to the Detroit river, are specially attractive to parties wishing to make a favourable investment.

Printed circulars, containing full particulars of the different lots, can be had by applying post-paid, to H. C. Holbrook, Esq., Attorney-at-Law, Detroit, Michigan; John J. J. Thompson, Esq., Chatham, Ontario, or to

JAMES CRAWFORD,

Agent, Montreal.

CELEBRATED

PERFECTED SPECTACLES,

AND EYE GLASSES.

The large and increasing sales of these PERFECTED GLASSES is a sure proof of their superiority. We were satisfied that they would be appreciated here as elsewhere, and that the quality of the advantages offered to wearers of our beautiful lenses, viz: the ease and comfort, the assured and readily ascertained improvement of the sight, and the brilliant assistance they give in all cases, were in themselves so apparent on trial, that the result could not be otherwise than it has, in the almost general adoption of our celebrated PERFECTED SPECTACLES by the residents of this locality.

With a full knowledge of the value of the assertion, we claim that they are the most perfect optical aids ever manufactured. To those needing Spectacles, we afford at all times an opportunity of procuring the best and most desirable article. A fair trial given, and if the purchaser is not satisfied the money will be refunded.

We take occasion to notify the public that we employ no jedlers, and caution them against those pretending to have our goods for sale.

GOOD WORDS

FOR THE

PAIN KILLER.

"A medicine no family should be without."—*Montreal Transcript.*

"We can confidently recommend the Pain Killer."—*Toronto Baptist.*

"It is the most effectual remedy we know of for aches, pains, flesh wounds, &c."—*St. John's News, P. Q.*

"We advise that every family should have so effectual and speedy a Pain Killer."—*Amherst, N. S. Gazette.*

"Our own experience is a bottle of Pain Killer is the best Physician a traveller can have."—*Hamilton Spectator.*

THE PAIN KILLER IS USED BOTH INTERNALLY & EXTERNALLY.

When Taken Internally—It relieves the most acute pain instantly, affording relief and comfort to the patient suffering from Cramp and Pain in the Stomach, Rheumatic or Neuralgic Pains in any part of the system, and in Bowel Complaints it is a sovereign remedy.

When Used Externally—It is equally efficacious and is the best liniment in the world. It is eminently a household medicine.

FOR FEVER AND AGUE,

BILIOUS FEVER,

PAINS IN THE BACK AND LIMBS,

There is no remedy yet discovered that has been more successful in curing these complaints than

PERRY DAVIS' PAIN KILLER.

For a Sudden Cold, it is almost a Specific.

Rheumatic and Neuralgic Affections give way to it when all other remedies have failed. It is eminently a FAMILY MEDICINE, and by being kept ready for immediate resort in cases of accident or sudden attack of disease will save many an hour of suffering and many a dollar in time and doctors' bills.

The PAIN KILLER is a purely vegetable compound, and while it is a most efficient remedy for pain, it is a perfectly safe medicine even in the most unskillful hands

FOR SUMMER COMPLAINT,

or any other form of bowel disease in children or adults; it is an almost certain cure, and has without doubt been more successful in curing the various kinds of

CHOLERA,

than any other known remedy, or even the most skillful physician. In India, Africa and China, where this dreadful disease is ever more or less prevalent, the PAIN KILLER is considered by the natives, as well as European residents in those climates.

The promptness and certainty with which it acts in relieving all kinds of pain, make it eminently worthy its name, PAIN KILLER,—a name easily understood, and not easily forgotten. As, in curing Cholera, it shows itself master of all the minor forms of that disease, such as Cholera Morbus, dysentery, Summer Complaint, Diarrhœa, &c.; so in controlling Diptheria, and other malignant diseases,—which it has repeatedly cured,—it asserts its power over all the milder and more common forms of these complaints.

THE PAIN KILLER IS EQUALLY

GOOD FOR MAN AND BEAST.

Farmers Read This.

Lewis A Phillips, of Providence, R I, writes as follows:

Messrs. Perry Davis & Son—Gents: I have for many years used your valuable medicine, the PAIN KILLER, on my horses, and can testify to its efficacy in curing Galls, Sprains, Bruises, Cuts, Cramps, Weak Joints, Rheumatism, Swellings, Colic, &c., &c. I have had over forty horses in constant use, in the omnibus business, and have never known it to fail in any case where I have used it.

LEWIS A PHILLIPS.

Read the following letter received from Dr. Deal, Bowersville, O., who is a Veterinary Surgeon of great skill:

I have given Perry Davis' Pain Killer in many cases of colic, cramp and dysentery in horses, and never knew it fail to cure in a single instance. I look upon it as a certain remedy.

DR JOHN R DEAL.

PAIN KILLER is equally good for man or beast and no farmer should be without it a single hour. Sold by all druggists and medicine dealers at 25 and 50 cents per bottle.

INFALLIBLE REMEDY

FOR

CHOLERA,

DIARRHŒA, and

BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE, I could make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."

This excellent mixture, which should be in every family, is only

TWENTY-FIVE CENTS A BOTTLE.

DARLEY'S ARABIAN HEAVE REMEDY and CONDITION MEDICINE is positively superior to any, or all other preparations for the cure of Heaves, Coughs, Thick and Broken Wind, and all diseases which affect the wind of horses; also, as a Condition Medicine, surpassing everything of the kind, is easy to give, sure to cure and safe in all cases and at all times, and does not prevent the horse from being worked while using it.

It cleanses the breathing apparatus, by removing from the air-cells the coagulable lymph, or that secretion which in heaves clogs them, causing a difficulty in breathing, and by its action on the diseased part, causing the mucous membrane to resume its natural dimensions, thus equalising the circulation of the blood, and restoring the distended vessels to their natural size; by its use the horse's appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance.
