THE GREAT VIOLINIST AGAIN -We learn that at the request of the lady managers of the St. Joseph's Orphan Asylum, Mons. Prume has consented to remain in the city to give a concert to-morrow (Sunday) evening at be Canadian Institute, for the benefit of the sephans. Many who did not hear him on Thursday night at the Rink, will, doubtless, be sappy to avail themselves of the rare opporunity thus offered, and many who heard him etore will be glad to hear him again. NUMBANCE IN THE MARKET PLACE.-While se police are summoning private persons to the Police Court for having foul premises, for which they are very properly fined, it would be but just to put the City Corporation through the mill for keeping a heap of martet scrapings, piled up against the side of Mr. McCaffrey's premises in the hay market square. Several complaints of this were made last summer, and the summer before. Now if a private person has no right to engender disease within his own premises, and he has not, what right has the Corporation to urround the house of a citizen with a pesteential atmosphere. Do they say it is inconvenient to remove the manure? What would such a plea be by a private person at the Police

METHODIST EPISCOPAL CONFERENCE -- TRIED DAY .- The Conference was opened yesterday morning in the usual form by Rev. J. A. ers, Bishops Smith and Richardson presiding alternately. The sessions of the day were occupied in passing on character—that is, as we understand, investigating the characters and qualifications of itinerant preachers. In the evening a sermon was peached by Rev. A. Dawson. To-morrow (Sunday) morning, at eleven o'clock, a sermon will be reached by Bishop Smith, D.D., after which seordination of Deacons will take place. At alt-past two p.m., Bishop Richardson will seach, when the ordination of Elders will be Miss Bella Sydney, The Rev. Professor Wilde will preach Mr Morton Price, in the evening. We understand that the sulpits of several churches will be filled on may by ministers of the Conference.

FIRST CELEBRATION .- By reference to our strertising columns will be seen the notice of a public soirce, to be given by the Ottawa Unity Protestant Benefit Society, on Tuesday agnest, in Gowan's Hall. It is worthy of note, that this society has been organized only one year, and now has a very respectable number of members, composed chiefly of workingmen, although merchants and professional men are amongst its number, as mary members and otherwise; these deaire to give their fellow-workers an entertainment in the shape of a social gathering. It will be observed that the Hon. Joseph Howe, with other prominent gentlemen, have consented to address the assembly; this fact alone should give a stimulous to the undertaking, and we predict a bumper house at the anniversary. Tickets have been placed at a FITHE GREAT low figure, in order to give all parties an opportunity to attend.

MUSICAL. - The Philbarmonic Society meet for practice this evening. Next week, and has consented to give a CONCERT in GOWAN'S after, their practice nights will! be Monday and Thursday for the concert to be given on the 12th of June. Those members of the Society who have an interest in its reputation will take care to be regular in their attendance at the prescribed hour of eight o'clock. We understand that the concert for which the Society is now practising is for the benefit of its professional members. The following choruses from the Messiah, viz.: "Lift up choruses from the Messiah, viz.: "Lift up your heads O ye Gates," "Worthy is the Lamb," and "All we like sheep have gone astray," were sung at the last practice with excellent effect, as were also the operatio Anvil Chorus," a2d "Joyous over the
