(Continued.)

FRIDAY, June 18.

THE SENATE.

Hon, Mr. MACPHERSON hoped the would prove a very great improvement upon the existing law, as there was roon for great aprovement. No one could read the list of ankrupts which appears in every Official zette without being satisfied that there could not be such a number of men who were really nisfortunes, over which they had no control, and it is only those who should be relieved by a bankrupt law. This law should not al- reading ways be on the statute book, but should be enacted when the occasion seemed to require met. it. He had no objection to extending this law to the maritime Provinces If they desired it, and as they have not had a bankrupt law for hirteen years, there might be many honest ebtors there who were entitled to relief. He ary. He considered this very desirable, as it vas as difficult to get a law repealed, as to hould be allowed to lapse, and could be renacted if found to work satisfactory, or it principle of voluntary assignments, and amendment. that the Board of Trade of Toronto had sent a deputation to press their views youring to do so : and undersold them, and was any stipulation as to the maximum rate thus the ruin extended. He regretted so short of passage money for steerage passengers. a time remained to consider this important

found, he had no more assets than would pay his debts, it was the most honest way for him to make a voluntary assignment of all he has for the benefit of his creditors. He thought this Bill was a great improvement upon the be appointed to take the affairs of the debtor in hand without delay. He was glad to observe the provisions of the Bill did not ncluded non-traders, because there was no excuse for their becoming bankrupt, as they quire to be relieved by a bankrupt law.

The House then adjourned until half-past

House without giving it battle for amendment the Company, affording very great facilities. the House went into committee on the Act but he did not go the absurd extremes in every section, with a view of getting it as But he held that it would be more for the inwhich some of his more vulgar countrymen perfect and suitable to the commercial public terests of the public if those ships were owned tration of criminal justice in certain cases share, from the moderating influence he exer- " black legs" to rob their creditors, and throw cised. But this may yet live in the tone given doubt and fear into the minds of all our merchants. We know that the large proportion of men who seek redress through a law of this Ma. Caragon and a distinguished party trader being the exception, the regues being careful how we pass this law in haste, and before we have ample time to examine it in all its details.

It is true it had to submit lately to many of those amendments, the Bill only having | morrow, been placed on our desks a few minutes ago, we have not had time to look into it suffi-

Hon. Mr. ROSE said it was intended that the | ber at his Auction Rooms, City Auction Mart, arbitrators should meet as soon as possible, York street, near the market. when all the accounts, distinguishing those which were disputed from the others, would be laid before them.

Hon, Mr. DUNKIN and others urged an early settlement between the Provinces and The motion was agreed to.

rial Law Officers of the Crown, and the Mr. WALSH moved the House into opinion had been expressed that the matter was beyond the jurisdiction of the Local lowing resolution: That it is expedient that weighers of grain be appointed and that they Mr. BLAKE expressed his satisfaction with be entitled to a fee of twenty-five cents for each load weighed by them.-Carried. Resolutions passed and were reported, and The House went into committee and rose without reporting.

Mr. FORTIN moved the adoption of the third report of the committee on fisheries and navigation, recommending the suspension of the provisions of the law requiring nets to be taken up from Saturday night till Monday

Sir JOHN A. MACDONALD moved an amendment which he believed would meet the views of the committee, and of the House generally, making the suspension of the law apply only to deep-sea fishing, and maintaining the weekly close time with reference to salmon, so as to permit them one day of the week on which to ascend the rivers. The amendment was agreed to.

Mr. MORRISON moved the adoption of the Mr. McKENZIE objected that the motion On motion of Hon. Mr. LANGEVIN, the was out of order.

> The motion dropped. The Government business being disposed of the House went on to " public bills and or-

Mr. BOWELL moved the second reading of he " Interest Act of Canada." Hon. Mr. HOLTON desired to know the policy of the Government on this important nestion, but he did not see the Minister of

inance in his seat. Mr. McKENZIE (who happened at the time o occupy the Hon, Mr. Rose's seat) stated The Festival of St. Jean Baptiste, that he believed the Bill would receive the full support of the Government (laughter). After a few remarks from Hon. Messrs. ROSE and HOLTON, the House adjourned at

Third Sitting. The SPEAKER took the chair at eigh They also provided that the Governor in o'clock. Mr. McCARTHY moved address relative to teenses paid in the town of Sorel-ruled out

of borrowing power now held repealing all of order. Mr. HARRISON moved adoption of the report on Huron and Ontario Ship Canal Mr. McKENZIE objected to the motion Sir JOHN A. MACDONALD did not see that anything may be gained by adopting the report, as it recommended nothing.

Motion withdrawn.

On motion of Mr. MASSON (Soulanges) an address was voted for the petitions and papers relating to the claim of John Taylor for infalling short of the expenditure. It was a juries sustained by the construction of the Beauharnois Canal Mr. BOWELL'S interest Bill was withdrawn.

Mr. MORRIS'S Bill relating to seduction the power of borrowing. He then moved that (was also withdrawn with the hope expressed | 1 the committee rise and report, and ask leave by the mover, that next session the Bill W H EASTON & CO would respectfully anwould meet the approbation of the House. ronto Globe and Telegraph and Merrickville Chronicle, concerning WM HENRY EASTON, Hon. Mr. ROSE moved the second reading of the Supply Bill.

Mr. McKENZIE took a general review

the proceedings of the session, and pointed

out the many nice predictions it had been his high privilege to make during the progress of business. Hon. Mr. HOWE replied to Mr. McKenzie. He vindicated the general policy of the Gov-NOR SALE. tain resolutions respecting the several fee ernment, and directed his remarks especially to those points to which the member tor

-(Mr. MORRIS in the chair)-Resolutions Lambton had particularly referred. Hon. Mr. HOLTON adverted to some of the

important measures of the session, and criticized the action of the Government in ref-Sir JOHN. A. MACDONALD replied to what he considered the personal attacks of

the member for Chateauguay. Hon, Mr. HOLTON disclaimed any intention of personally attacking the Minister of Justice, and held that he had not went beyond the propriety of Parliamentary debate.

After some remarks from Mr RYMAL, the Bill was read a second time, and after a few remarks by Mr. McKENZIE, in reply to the Premier, a third time and passed. hiring him! Any person doing so after this notice Sir JOHN A. MACDONALD said his Excellency would come down to-morrow at four will be prosecuted by me according to law.

p.m., and prorogue the House. On motion of Str JOHN A. MACDONALD Aylmer, June 5, 1869. the House adjourned at 11:30, till to-morrow
