> T. H. E. Pic-xic .- The pic-nic, or more properly speaking, the dance, given under the auspices of T. H. E. Club, last night, at the Bellevue Gardens, was attended by a large party. Gowan's band furnished its usual good thorities in ridding Lincoln and adjoining music, and the dance was entered upon, and counties of marauding bands that have been kept up with great spirit till a reasonably late holding sway there for some time past, hour. LOOKING TO THEIR INTERESTS .- We learn that the authorities of New Edinburgh have at | Co.'s. length came to the conclusion that they must look to the security of their property and the maintenance of order in the village, and are Muchmor & Co.'s. about to adopt the best and cheapest means for doing so: that is the appointment of a policeman. There are many reasons for doing this, which are best known to the authorities. They have, we believe, a good energetic and experienced man in view, and they will do cured the services of a first class milliner, all well to secure him.

Fire Arrs .- We are informed that his Excellency the Governor General and Lady Young have been pleased to accept the invitation of M. On Saturday, Monday, and Tuesday following the Institute will be thrown open from two to six o'clock, p. m., to scholars, artizans, and all interested in art, as applied to manufacturing industry.

UNLOOKED-FOR RESTORATION OF A WATCH .- | Garland, Mutchmor & Co. Between three and four years ago we recorded the fact of Mr. Thomas Kidd, a farmer, being robbed of his watch and \$60 in money, and afterwards thrown off the sidewalk into the then open lots between the International Hotel and what is now Mills' marble yard, but the perpetrators of the crime were never discovered, though the police centinued on the alert to find them. Two years ago Mr Kidd died. On Wednesday last the watch was handed to Mr. William Kidd, Reeve of Marlboro', now attending the County Council | Will offer during here, and who is the son of the deceased Thomas Kidd, by the Chief of Police. Three months ago, or thereabouts, the watch was taken to Mr. Tracy, to be repaired, but the person who left it had never yet called for The Clerk presented the Treasurer's ac- | it. It occurred to Mr. Tracy that he had seen the watch before, and, hunting up his father's old books, he found that it had been sold by him to Mr. Thomas Kidd, some twelve years ago. Having learned the watch had been taken from the owner at the time, he handed it over to the Chief of Police, who has restored it to Mr. William Kidd.

THE COUNTY COUNCIL AND SHADE TREES .-Whatever may have been said or thought of the Corporation of the County of Carleton in time past respecting an absence of the progressive element in that body, we are happy to observe now a spirit of liberal advancement prevailing among them. We have already noticed the generous aid extended by them to the Ottawa City Agricultural Society of the county property in this city, that is to say the gaol and Court House, by planting ornamental shade trees around them. In this they will act in conformity with the city corporation, who have passed a by-law for the promotion of the same object throughout the 35 PCS.
