Messis. Chambrelain & Sills, Conway P. County of Lennox, Ontario, Canada: Mance, County of Hastings,

Province of Ontario, Feb. 9th, 1869 This is to certify that during the winter of 186 was taken with a wearness of the angles, which gradually, during the spring of 1867, extended t my knees, and on up to my hips, and I became s weak that I could not walk, but was confined my chair. For about two years, while this weakt ness was coming on me, and afterwards, I sough medical advice, employing, at different times three doctors, and medicines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Sho shonees Remedy by reading the cures performed in a pamphlet. At this time I had begun to tee the weakness in my hands; in fact I was getting almost helpless. I have taken two bottles of the Shoshonees Remedy and two boxes of the pills and to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, believe it will cure you.

Whatever may be the peculiar success in subsiding the torturing pains of Rheuproperties of this medicine, one thing is certain, matism, and relieving Nervous Affections, entitle that in her case it has acted almost like the performance of a miracle.
