Scanderia, with the French cable, came to anchor this afternoon off Duxbury. Their arrival so soon was quite unexpected, but it is thought that arrangements will be perfected to-morrow for the landing of the shore end. The land line in Boston is not yet completed; but an office will be opened to-night in Kingston, about six mils from Duxbury. Washington, July 23 .- Advices recived here

from leaders in the Cuban army to the 15th inst, state that on the 13th and 14th the troops of Gen. Quesada, stationed between Puerto Principe and Nuevitas, were attacked by Litona, and were repulsed on the first day with a loss of 50 killed and wounded, and on the second with over 100. The Cubans retain their position of siege before Puerto Principe. The troops under Gen. Figuerro, of Gen. Jordan's command, occupying a position

some 40 miles from St. Jago de Cuba, were attacked on the 12th instant by a Spanish force of over 1,200 men, and are said to have been commanded by Gen. Valmesada in person. After three hours' hard fighting, the Spaniards were compelled to give up the attack. Next day, having been reinforced, the Spanish General renewed the assault and was Gen. Jordan participated in the second

coloured, and others of a most offensive odour, in and cheap. action of the Rilter was mest satisfactory, as producing a perfectly clear, colorless, inodorous, and Further information will be supplied by the tasteless water. The great importance of pure water in promoting health, is universally acknowledged, and the difference observable between the action of pure and impure kinds, has been conclusively shown

by the late reports of the Cholera Commissioners.
I should therefore very strongly recommend the use of the above named Filter, especially to those who have not the means of obtaining pure epring water, as being at the same time both simple in construction, and efficacious in action. HENRY CROFT,
