cls Clemow, and some carriage springs from Coughs and Colds.—Sudden changes of climate are sources of Pulmonary Bronchial and Mr. Alex. Workman. Several witnesses were called in reference to the springs by whom the case was clearly made out, but the Judge reserved the sentence until the case of the buggy shall have been tried, and that was adjourned till Tuerday (to-morrow).

Asron Isaac Dunning and Joseph Porteous were then put upon their trial for assault and robbery. The prisoners severed in their detence. We have already given all the material points of the evidence in our report of the case at the Police Court of the evidence.

Climate are sources of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Losenges. Few are aware of the importance of checking a cough, or "common cold," in its first stage. That which in the beginning would yield to a mild remedy, if neglicated soon attacks the lungs. "Brown's Bronchial Troches," or Cough Losenges, allay irritation which induces coughing, having a pursor influence on the affected parts. As there are imitations, be sure to obtain the genuine. Sold by all dealers in medicines, at 25 cents a box.

the case at the Police Court. The evidence Everysony Says So .- That is all who are was essentially the same : proving that Dunning represented himself to be the proper effects when used by others; all such, and they person to receive his show license fee, and that "Darley's Condition Powders and Arabian with whom liberal arrangements will be made. at a late hour of the night demanded payment of the same with threats and violence; that Dunning seized Carruthers by the beard and throat, raising his stick to strike him if, he refused newwart.
