THE CANADIAN ANNUAL REGISTER.

(The Montreal Printing and Publishing Company, 1 interest.) It is believed by the undersigned that the time has arrived for the publication in Canada of an ANNUAL RECORD OF PUBLIC EVENTS, similar to that which has been long published, and is so well known in England. The rapid strides of the Dominion are attracting the attention of the world. It will be the aim of the Editor to chronicle each year the leading events so rapidly succeeding each other in the formation of our national character and national greatness.

The Editor proposes to commence with the birth and infancy of the Canadian Confederation. The first volume of his Register will therefore contain the following: I The Political and Parliamentary History of 1887, including: 1 A preliminary sketch of the proceedings in the B. N. A. Provinces in 1864-65 which led to Confederation. 2 An account of the London Colonial Conference of 1867. 3 The debates in the English Parliament on the Union of the B. A. Colonies, &c. 4 The formation of the Local Governments. 5 The General Election and its Issues, with the names of the successful and unsuccessful candidates, and the number of votes polled for each respectively. 6 A sketch of the Eastern of the Dominion Parliament, and of the several Local Legislatures, with full and accurate reports of the principal speeches delivered during the Sessions of those bodies. 7 The Financial Affairs of the Dominion. 8 The Church in Canada. 9 Retrospect of Literature, Art and Science. 10 Original of Remarkable Occurrences. 11 Promotions, Appointments and Changes in the Public Service; University Honours, &c. 12 VIII Obituary of Celebrated Persons. 13 VIII Public Documents and State Papers of Importance.

It is hoped that the undertaking will receive that encouragement which its importance deserves. The annual history which the Editor proposes to publish will be of great value to all interested in the future of our country.

The Register as well as received as the Editor hopes he will spare no effort to justify future subscribers by the accuracy and impartiality of his support. All that labour and impartially can accomplish will be done to ensure the success of his work. He has been promised assistance by men in different parts of the Dominion whose capacity is undoubted. He intends, with as little delay as possible, to prepare the volumes for 1887 and 1888.

The volume for 1887 will contain 350 pp. 8vo. and will be bound in cloth. Price 25c. per volume. HENRY J. MORGAN. Ottawa, June 7, 1889.
