WELLINGTON AND GRANT.

Many Americans are fond of comparing General Grant with the great Duke of Wellington, but the Detroit Free Press proves Between the Provinces of Ontario and Quebec | that in one respect at least there is a striking difference between them. It says:

" If Wellington was not a greater Captain than Grant, he certainly had a more refined sense of honour than had his more favoured rival in the field of military greatness. This will be shown by the following letters. A scuttomen baring cont Wellington a number of pictures as a present, soon followed them with an application for a place under the Government, whereupon the Iron Duke re- anniversary of the birth of Alexander Von

Doctors in Sweden -- In Sweden a physician makes no charge whatever for medical attendance, and, what is more remarkable A NNUAL PIC-NIC. still, very many of the people who can afford to pay for the services of a doctor are willing to avail themselves of such aid without paying anything for it. One physician told me that of ninety-six cases that he had treated within a certain time only six paid him at all! It is customary for those who do pay to pay by the year, and fifty-six dollars, or about twelve American dollars would be a Will take place this season at the large sum for persons in good circumstances to give for the benefit of a physician's counsel for a whole year. There is, therefore, no great inducement, in the way of profit, to go into the medical profession. Nor is it an ntroduction to society, the physician not being in this respect materially above the

apothecary in social standing. The clergy, as a profession, are not materially better off ters. than the physician. Their pay comes from the State, but their salaries are very small and, with only here and there an exception they have very little influence, social or political. They are not men of learning, and perhaps the are as influential as they could be expected to be. The established religion is Lutheran, with one archbishopric, eleven bishoprics, with 3,500 clergymen. They are said to be "highly educated," but -I was assured there was a great lack of education among the clergy, and the very small salaries which even the dignitaries receive would Games, and other amusements, will be provide confirm the statement that the church does not retain the aid of learned and able men. How to TREAT SERVANTS .- One of those

grave and unapproachable; the mother cross; the children naturally feeling the infection of the evil spirit that has invaded the ness. Before breakfast is over the smouldering fire begins to burn, and Bobby or Fred commits some overt act which brings a penalty upon his head. Susie cries for buttered cakes, and is sent upstairs to regale covers half a dozen legetimate subjects of fault-finding. She speaks of them to Bridget in a manner which makes Bridget consider W H Cotton, herself ill-treated and quickly arouse her temper. A few moments more, and the fatal words of dismission are spoken. Bridget, who has really been good "help" goes away, ready to take offence with greater ease in some other house, and to begin a crusade from CHO'Meara, Esq. family to family, until she becomes a pest instead of an acquisition. In her place arrives W McKay Wright, Esq. A Atcheson, Esq. Ellen, who is migratory in her habits, and only stays a week; and after her comes Catherine, who is far from clean; and for weeks Noras and Marys and Lucys are coming and going, till the last stage of that house is worse than the first. How much better it would SATURDAY, 14TH AUGUST, 1869 have been for the mistress to have hushed the improper words by a dignified " Silence! You must not speak in that way;" and after the lapse of some hours, when both had time to grow cool, to have remonstrated United States, by sending you the expression quietly and seriously with her hand-maid upon the matter and manner of her speech.

Hubson, N. Y., July 28 .- The great race announced to come off to-morrow between trance free. American Girl and Mountain Boy, will not take place for unexplained reasons.
