Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and bald-

ness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor car only benefit but not harm it. If wanted merely for a

tenant of the organism undermines the constitution, and invites the attack of enfeebiling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAFARELLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Sait Rheum, Scald Head, Ringucorn, Bore Eyes, Sore Ears, and other eruptions or visible forms of Serofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerouis affections of the muscular and nervous systems.

Syphilis or Fenereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhae or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

HIGH PLAY AT BADEN A correspondent of the Pall Wall

" In the Fremden-Liste of to day find no less than seven royal personages -princes, dukes, ambassadors and lesser dignitaries we possess in due proportion. The gambling tables, which suffered perhaps, more than anything else from the late exodus of tourists, have resumed their usual animated appearance, and from morning till night the wheel of fortune goes round. Play here is never as high as at Homburg, where Mustapha Fazyl Pacha lately broke the bank to the tune of £12,000, but the stakes are quite large enough to make losing unpleasant. One evening last week our boldest player, a Russian lady of high rank, after a hard fought battle of three hours duration, retired a loser of nearly a hundred thousand francs. The interest excited by this encounter was intense; almost all other play was suspended, and a triple row of spectactors surrounded the table, breathlessly watching the result of each coup. For my own part, I think it scarcely an edifying spectacle to see any lady, particularly when young woman, forty years old, who was found and beautiful, publicly engaged in such a pursuit, and fingering her bank-notes and flushed and his clothes torn from the They asked her what she had done, or counting her louis with the quickness and could do, for a living.
