OTTAWA MARKETS.

Compiled expressly for the OTTAWA TIMES.]

Times Office, Ottawa, Sept. 2, 1869.

The markets have for some time past been plentifully supplied with the usual articles of every-day consumption, and at prices in most cases moderately low. There was yesterday a good supply of new oats, the prevailing price of which was 40 cents. Hay was $5 to $6, and straw plentiful at last quotations. Peas in moderate supply at 80 cents to 90 cents. Some small lots of fresh pork have been brought in and sold at $10.50. Butter is more liberally supplied at prices a shade higher than our last quotations. Potatoes, in plenty, are selling at 30 cents to 40 cents.

A WONDER FOR THE WORKSHOP.—Every mechanic should have ready at hand a box of *Graves Celebrated Salve*, as it is a ready remedy for accidents, such as cuts, bruises, contused wounds burns, scalds, poisoned skin and eruptions, caused by operations in the factory, dye-house or printing office. Only 25 cents a box.

OVER-EXERTION, either of body or mind, produces debility and disease. The usual remedy is to take some stimulant, the effect of which is the same as giving a tired horse the whip instead of oats. The true way is to fortify the system with a permanent tonic like the Peruvian Syrup (a protoxide of iron), which gives strength and vigor to the whole system.

"Queen's Birthday was kept in the usual loyal style last month, and next month the citizens of the Dominion of Canada will celebrate the birth of their new and rising confederacy; but reserved invalids still feel that a public holiday would be too short to celebrate all the virtues of that celebrated Indian Medicine, the great SHOSHONEE REMEDY, now on sale by the respectable druggists in your locality.

The Alabama claims were allowed to disturb too long the citizens of the two great Anglo-Saxon communities. The carelessness of one set of statesmen, the indifference of another set, and the cupidity of another class, have combined to keep this *question vexata* rankling in the great political system, like consumption in the human frame, which spreads so rapidly until checked and expelled by the great SHOSHONEE REMEDY. For sale by all druggists.

SUNSTROKE.—This accidental infliction, called by the French *coup de soleil*, is supposed to occur more frequently as the country is cleared, but such indeed is not the case. In the same manner many suppose that crime is on the increase as the country becomes older, but this is also deception. The truth is both illusions spring from the increased facilities for communication, which, like the great SHOSHONEE REMEDY for consumption, follow in the wake of civilization.

TOM THUMB REALISED.—We read there has been a race between the New York showmen to obtain possession of one George Washington Nutt, who is said to be several inches shorter than General Tom Thumb, and that P. T. Barnum has succeeded in getting him for three years for $30,000, board and expenses. Is it not a great thing to be a small man! and is it not equally as great to have a medicine that can be depended upon for curing colds, rheumatism, burns, bruises, summer complaints, cholic, &c.; if so get at once a supply of the "Canadian Pain Destroyer," at the nearest medicine dealer's for 25 cents.

The Supreme Court of the State of New York have issued a perpetual injunction against Eaton and Jenkins for counterfeiting Ayer's Cathartic Pills, holding them responsible for the cruel imposition in what they have done and restraining them from further like injury to the public. If any class of our people more than another needs the interposition of law to shield them from imposture, it is the sick and suffering who are unable to protect themselves. A remedy so universally employed as Ayer's Pills by all classes, both to cure and prevent disease, should as it does, have every security the law can afford it, from counterfeit and imitation.—*Cubinet, Schenectady.*

BEAUDRY'S NEW SERIES OF SAWS

This important improvement in saw mills, patented in Canada and in the United States, consist especially in a new method of hanging and operating gang saws for manufacturing lumber, without the use of the ordinary gate. The gang of saws are attached at each end to cross heads, supported by a bifurcated pitman, and are the only weight to be supported. The saws and crossheads being very light, the speed of the saws is considerably increased. The new system operates well, and wood can never be more properly sawn, and in larger quantities. With the use of this improvement, mill proprietors and lumber dealers can realise profits much larger than with the use of any other operating system.

Lumber merchants, saw mill proprietors, founders and business men in general, desirous to obtain the rights and royalty of the patented improvement, should promptly address to Messrs TALBOT & TOUSIGNANT, 29 St Anne street, city of Quebec, advocates, from whom any information can be had, and where an operating model can be seen.

Royalty can be obtained for Canada and the United States, or for districts only.

FOR
CHOLERA,
DIARRHŒA, and
BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE, I know it would make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."
