The stallions a most gorgeous one, made by Miss Cowan. nighed masters of the field, the male beeves Large numbers of quilts were on exhibition. gave their music in utter defiance of their more silent attendants. The bleats of the owner's name on, and therefore we can say Hon. S. L. Tilley paid a visit to the Agriculvery sheep had somewhat of a tone of a nothing of them. Among other fine things tural Show yesterday afternoon, and appeared " No pent up Utica." The cocks crew louder, the hens seemed more satisfied with the iss- quilting. Both of these were the work of tened connubiat attention. The only serious Miss Major, and took the first prize. It was and unlionized animal was man, whose regret done with the Howe Sewing Machine. In which has attended the efforts of the officers for his position had to be above of the this part also was a quantity of gent's and of the Agricultural Society, and the interest for his position had to be shone off by the boy's clothing by Mowat Toiler. Brough & taken in the fair by the public, we may say that over 4,000 tickets were sold at the gates. good and hearty visage of Mr. Graham. But shoes, gaiters, moccasins, &c., for which the apart from all this, the second day of first prize was awarded. the exhibition was a fine success. Every assortment of millinery in a handsome glass person seemed in earnest-every person went | case, which served as an attractive ornament to work-every person felt that the sneers of to the centre of this part of the building. our more wealthy Western brothers had to There was no prize for this. be kindly rebuked in the exhibition of a knitting machine, which was put in operation spirit, which they must acknowledge to be and astonished the visitors by the almost truly and escentially public. The people of miraculous rapidity with which it accomthis section—their representatives—the officers of the society, came to the circumstance minute, and made a pair of socks in half an riages. It consists of a very simple contriv- and Sultan. of this our first exhibition with that spirit hour. which makes metal in a nation. Many of our While the visitors were absorbed in seeing the sights within the hall, Gowan's band prominent citizens and neighbours, at a sacrifice, introduced articles claiming no special play its music. This had the effect of thin-prize. These are circumstances which force ning the audience, for hundreds went outside us to believe that, while our Western con- to see as well as hear the band, and they

freres may be possessed of more wealth, we in the afternoon. the unadorned, as they believe, have the Mr. R. W. Stephens, manager for Walton positive power which can never be purchased. Among the first subjects for exhibition, that of thorough-breds was the horse, Sunshine, whose appearance attracted the admiration of (of Montreal) seven octave planes, which the assemblage in the spacious field devoted to the Agricultural Department. His competitor was a fine brown horse, against which the splendid appearance and faultless action ot Sunshine claimed a proud superiority. Some goven horses were the causes of serious one from Montreal was a general favourite Another, a black stallion, owned by Mr. Clark, of Nepean, was the object of much some miniature steam engine standing beside a imiration. A splendid bay, the property of a beautiful bead cushion. The engine was Mr. Grant, of Fitzroy, created, perhaps, the made by Mr. Francis Grant, Jr., watchmaker, tardiness with which the indees care to the Wellington street. It is in all respects comcouclusions; Our public minded Sheriff was not in arrears in his contribu- transept in the hope that, as we were told, the tions to the exhibition, a fine golden Chestnut, a son of the celebrated horse Rin- eastern portion to the right, where we found gold, and bearing full evidence of his pedigree, a display of good biscuits or crackers by Having received, [in addition to large purchases of LONDON MILLINERY,] was gracefully ridden over the grounds by Mr. D. Morrison, of York-st., also crackers the inimtable Tierney. The dark browns of Thomas Iliffe, of Dalhousie st., not to compete our worthy county dignitary were equally for a prize, but to help the fair. Here we attended to by another person. The span of came into the butter and honey region, and the day was certainly that of .Mr. Slater, of had the pleasure of seeing a name on a ticket, it was that of E. Spencer, first prize for honey this city. A fine pair of greys were the next in comb. object of regard from the assembled people. Several sam ples of good honey were shown. Among the objects of interest in this section Mr. McLachie, of New Edinburgh, took a were the splendid bull owned by Mr. Thom- of home-made cheese was shewn. s n, of Nepean, and another, a wicked Gallo- We saw some very fine butter. The firking way, owned by the Hon. Jas. Skead. In all the | was very sweet, though a little pale. 'I he sections the stock was most creditable, and prime was remarkably good, and in rather liberal samples. Prints, 1st prize, Mrs. J. throughout the exhibition gives carnest for Osgoods, New Edinburgh. Here we saw two defeat to those whose local interests and or three loaves of home-made bread, and a unnational desires impel them to injure the first prize on it. It was made by Mrs. Alloway, real interests of the Dominion. In to-mor- criticisms of farmers' wives and daughters,

At an early hour this building showed indubitable signs that before the day was out it would be crowded, and how could it be otherwise expected, for here were the attractions for the ladies, and the ladies would be sure to bring the gentlemen from the attractions considered appropriate to the sterner sex. Outside were the cattle, the horses, the threshing machines. ploughs, barrows, and all the heavier and coarser things, but withinside there were objects of beauty as well as of utility. Things that had been produced in the laboratory of nature, things that had been born of inventive brains. Musical instruments touched by cunning fingers sending forth floods of harmony Then there were the cunningly wrought devices in needle work, crochet tatting, head work, and a hundred other forms in which

list of the prizes awarded.

female ingenuity displayed itself.

If we enter at the south transept of the building, we are dazzled by the beautiful array of every conceivable variety of ladies' work, and in the profusion, we become confused, we don't know where to begin, for on the right hand side the first thing we see are some of the most beautiful ladies' work in the exhibition, and the first thing on the left with other ladies' work and tailors' work, all very good, we find boots and shoes. We also find tatting on the right, embroidery, wreaths. &c., on both sides of the way, so that there is no good classification. We take to the right, however, and after passing a very nice netted | sels, made by an apprentice of two years, very and we wanted to let the world know who Blyth & Kerr showed hall stoves and

made it, but it bore no name. The next article to this was a picture, we suppose in wool, as it bore some resem- work in mantles, monumental marble, &c., blance to wool, but the lights and shadows were so well laid in, and everything so natural we saw some very fine vegetables that would that we will not pretend to say what it reflect credit on any exhibition, but not a that we will not pretend to say what it was in a fine large frame, and represented a lady dismounting from a camel, assisted by some gallant Oriental lover or husband. These were the principal figures in the fore ground, but there were other sub-in the foreign and other were curiosities.

In the fruit department we were fortunate enough to meet with one of the ordinate figures, one a lady attendant on enough to meet with one of the good, and richly deserved the first prize which the exhibitors, but as they will appear in the good, and richly deserved the first prize which it received. This was, signified by the red ticket attached, and on which the words "first fruit was not in large quantities, there was office.

A single gentleman can be accommodated with a nice room and good board in a private family on Metcalfe street. Apply at this fruit was not in large quantities, there was office.

prize" were printed, but there was some of it which we may well feel proud of. and the composition and detail were so excel- variety of very fine apples, pears and flo wers, lent that we naturally wished to have the name of the fair lady who was its author, but Wright, Hon. Jas. Skead, W. Supple, of Perustat Junction after fruitless enquiries we were told by Mr. broke, and Mr. Robt. Lees exhibited fruits. Ira Morgan, who ably superintends the Hall and its contents, that the subject of our admiration was the work of Mrs. Sheriff Powell, and besides, this lady showed an Mrs. Scott, of Sparks-st., took first prize embroidered chair and another fine piece of for display of cakes, 2nd for flour and for Leaves her wharf, foot of Sussex street, at 6.30 a m embroidery. There was also another fine pears, 1st for arranged sca-weed and shells.

Arrives do do do 6.00 p m picture of David in his old age, playing the barp. This was one of the greatest attractions cal instrument in the shape of a T square Stages leave for Aylmer every morning at 5.00 am beads and gold, and was very beautiful to look at. Still no name. It took the first tural implements appeared in the sheds and prize, but why was not the name of Miss on the grounds, which we shall speak of here-McGillivray on it? We could not let the after. picture escape us without knowing the name, but if we had spent as much time over every

article about a dozen would have kept us all One of the many very pretty little works of second prize ticket attached, and we thought ate prices or amount of business done. it was a mistake, for it seemed to us to deserve the first prize, and we would like to see the

plece of work which came in for a greater choice designs. very early hour hundreds of persons were share of admiration than anyting else of its kind at the fair; some said it looked like point lace, and all said they had never seen anything of our unrivalled XXX and Extra Can Oys. of the kind superior to it. The young lady who took the second prize only direct shippers of Oysters in the city. was Miss Jessie Orme, of this city, and the young lady to whom was awarded the first prize was Miss Hay, of Vankleek Hill. She Near this, too, was some very handsome bead of Rideau st , had a stand to shew some of the superb weres of his establishment. He was usually brisk demand have imported a very
