LADY YOUNG AT HOME.

MONDAY EVENING. Among those present were his Royal Highness Prince Arthur, Col. Elphinstone, B., and Mr. Picard, R. A. V. C., his Excellency the Governor-General, Col. McNiel, M. S., Mr. Turville and Col. Irvine, A. D. C., sir John A. Macdonald, K. C. B., Sir George E. Cartier, Bart., Mr. Cuvillier, Mrs. Cuvillier, and Miss Symes, Hon. Mr. Tilley, Mrs. Tilley and Misses Tilley, Hon-Mr. Mitchell, Col. and Mrs. Earle Major Robertson, 60th, Catherine Robertson Col. Robertson Ross, Adjutant General Fox and Miss Coffin, Mrs. Skead and Miss Skead, Major Futvoye, Mrs. Futvove, Miss Parent, Col. Stuart, Col. Bernard, Mrs. and Mrs. Spragge, Mr. H. W. Lee and Miss Lee, Dr. Grant, M. P., and Mrs. Grant, Mr. Grant Powell, Mr. Povell and Miss Powell, Mr. Harrington, Mrs. H. Cotton, Capt. Cot ton and Lieut. Cotton, Mr. A. Walsh, M. P., Mr. Reynolds, Mr. R. S. Cassels, Mr. and Mrs. H. O. Buritt, Mr. Grassott and Mrs. Grassett, Mr. Dickinson, Mr. McMicken, Rav. Mr. Pollard, Mr. Russell and Mrs. Russell, Mr. Meredith, Mr. Stewart and Mrs Stewart, Mr. H. Stewart, Mr. Kimber, Mr. Audy and Mrs. Audy, Mrs. Lemoine, Mrs. Desbarats, Mrs. Col. Donaldson, Mr. Macdougall and Mr. W. Walsh, of THE OTTAWA

H. R. H. Prince Arthur, danced with Lady Young, Mrs Earle, Mrs. Tilley, Miss King, Miss Macdougall, Mrs. Symes, Miss Lee and Miss Powell.

THE Intercolonial Railway Commissioner Mr. Walsh, M. P., Chairman, Hon. Mr. Baynous, Esq., are in town. It is understood that the tenders for sections 8 to 12 of the road will be opened to-morrow by the

arrive here to-night.

SANFORD FLEMING, Chief Engineer, wi it may not be amiss to say a few words in speak of BLAKE, who has ideas of his own, to leave the Province. The proceeding is and is compelled to make the best of his reference to the general tone of public opinsituation in company not much to his taste) ion with regard to the present progress of the but the rest of the neophytes, the Youngs and MILLS and Bonwells-the Groupe who does not believe that the construction of the road is not going on in a way which Browns in petto-what is the country to bids fair to drag out the time of its successful expect from men of that class. completion for another ten years. The system of accepting the lowest tender has been tried. always had clear aims, and knows and it has unmistakably broken down, the road to success; and his accession to the Complaints reach us daily that on sections Ministry will do more to advance liberal I and 2 the men are not paid, and that the principles in a practical way, than Gronge work is going on at a snail's pace, and the Brown could effect if he had the formation of winds and gloomy weather. On the 29th a same story is repeated all along the line the Catinet in his own hands. already under contract. The interests of The blackguard character of the attacks heavy sea. One sea breaking on board icd they have been in camp, and he would being about \$5 per cwt. Milch cows brought the country, no less than the words of the which have been made upon the smashing the starboard boat to atoms, and beg to return them his thanks for their very \$20. All the cattle brought to market were British North America Act, demand that Finance Minister-trumped up stories about filling the port fore-castle with water. Exthe work should go on continuously and his corruption, and the embeszlement of perienced northerly winds in general, as far his regret that a large number of the officers with uninterrupted despatch, and it is quite public and corporation funds—is enough in up as 45 west and moderate westerly winds and non-commissioned officers are not more time that the Commissioners should investi- itself to damn any reputation for decency or thence to the gulf, which was entered on the thoroughly acquainted with their duties, begate for themselves these general complaints trustworthiness which GRORGE BROWN has morning of the sixteenth day out. of mismanagement and delay, which are ever been able to cling to. Such a kind aiready destroying all public confidence in of opposition might be expected from some the construction of the road. The experi- of the vile class of newspapers which repreence of other countries has conclusively sent the back slums of New York shown the penny-wise and pound-foolish Democracy; but either the managing direcpolicy of allowing men to cut one another's | tor of the Globe has this time overshot his throat, in the race to get in the lowest tender; mark, or has been able to educate the mass the country is sure to pay for it in the end, of the Clear Grits of Ontario down to a level and with a tolerably heavy percentage, of baseness, which it is not pleasant to too; and in the meanwhile the public contemplate. interests suffer proportionately by the delay which, under a better system, FRANCIS HINCKS' capabilities as Finance need never have been made. As the work | Minister; he is not a new man at the post, reason to believe that the predictions of those of other candidates, who could accept the who maintain that it will be 1880 before a office with any chance of securing car runs over the road will be fulfilled to the confidence of the country. What Meeting of the Opposition of Deputiesthe letter. The press of the Lower Pro- other man can the electors of the vinces is already beginning to think that North Riding of Renfrew put up, as well to the Corps Legislatif will meet to-morrow to they have been gulled once more about the suited to represent their interests, or who will draw up a manifesto. Rumours continue to for the Queen, which were given with right Stratford, on Wednesday. The jury, after an construction of the Intercolonial Railroad, be in a position to do so more effectually? Circulate in regard to the modification of the hearty good will. Cheers were given for Major and from the article in Saturday's Leader. Nor down to come among the modification of the hearty good will. Cheers were given for Major and from the article in Saturday's Leader, Nor does he come among them as a stranger; Cabinet with a liberal programme is spoken dissatisfaction is general in all parts of the country. The question which every think-likely to forget how once before they stood in many will now put to himself is whether which we give below, it is clear that the | Rer frew and the whole valley of the Ottawa | of. ing man will now put to himself is whether to his back at a critical time. We have no curred since the commencement of the movein the construction of the road we are to go reason to complain of the present represenon forever in the same imbecile way, or tatives in the House of Commons of this whether we are to learn anything from the section of Canada-they are as much alive experience which is already staring us in to its interests as any men could be-but the face, and inaugurate another and wiser unluckily for us they have always been policy? Our contemporary says:

ionial Railway. The folly of tendering at that we should have some man in Parinaprices far below those at which the work ment and in the Cabinet not only willing Government forces now occupy the city. The could be properly done, much less afford any but able to secure an attentive hearing for the contractors, is already being but able to secure an attentive hearing for the appointment of a day for reassembling. leveloped. There is hardly a section of the the legislative measures and public works and it is not known whether the session will two first lettings in which disagreements which are so much needed by this section of be resumed. setween the men engaged and the contractors the country. have not taken place as well as between the tor has already turned Ottawa-ward in the hope of being able to escape the obligations of his tender, and to secure the release of his ted to mention that his Royal Highways was effect, and causing great damage to the troops.

"It is impossible to say what the result will be. So far as we can see nobody is to blame except the contractors themselves, unless, indeed, as some persons assert, the specifications were not as full as they ought to have been. It is a well known fact that the prices at which the several sections were let were far below-in some instances absuidly far below-the Chief Engineer's estimates. The Commissioners could hardly have done else than to award the contracts to

lettings. There is no-economy in giving out tution

work at prices which it must be known are too low. The country cannot afford to run the contractors have been playing. If the work be let to competent men at reasonable prices, this is all the country can demand; and we are satisfied it will prove the best and

Ir would puzzle a good many of Sir FRANCIS HINCKS' opponents to give any satisfactory reason for their hostility to his return to political life in Canada. Reasons drawn from the personal hatred of a few men in Toronto, and from some vamped up old stories of fitteen years ago, are plentiful enough in some people's mouths; and about the causes of GEORGE BROWN'S opposition there need be little question, but for the bulk of people who can lock at things without being led altogether by the nose in everything which the Globe chooses to dictate the reasons which make good his claim to public confidence and support are so plain that nothing but the most rabid ignorance

unwilling to see him laid upon the shelf, we

o'clock at night with a verdict of " Not The Brantford Expositor says:-" His Royal until he was reminded of the custom. To make up for his seeming indifference, we understand he has ordered two oxen to be reasted whole. Won't the braves dance right merrily in anticipation of a 'good square | to the great skill displayed by Mr. John Mc-

A correspondent, writing from the west he having repaired in the most beautiful manside of Cape Breton, says : " Hay is excel- ner some very rare and choice Japanese and lent all over the country, and grain crops, if Chinese Vases, &c, Out Glass Decanters, Glass OYSTERS, His Excellency the Governor General has safely gathered, will yield abundantly. The Stands, &c., used by and the property of the been pleased to make the following appoint- mackerel fishery has been a complete failure | Hamilton Club. for the past three weeks." Another writer, The Hon, Sir Francis Hincks, K.C.M., K.C. | from the centre of Cape Breton, says : " to be a member of the Queen's Privy Coun- have secured all my grain crops, though | Hamilton, 10th Oct., 1869. many of my neighbours are not half through yet. I never saw a finer harvest. I made

drop of rain." A serious collision occurred at the Smith's Falls station, on last Monday evening, where-by two engines were totally disabled. Through the negligence of the switchman, or some or

feed, will greatly enhance this. We understand that there was an insurance of \$80 on each of the barns, and a small amount insured SALE OF HOUSEHOLD FURNITURE on the crop, not over one third of the value, so that Mr. Ellis' loss must be very heavy. He has our sincere sympathy, as must every man who is thus made the victim of lawles;

Auctioneer and Commission Merchant, has been favoured with instructions from J. A. Stewart, THE INTERCOLONIAL RAILWAY. Esq., to sell by public auction at his residence,

on Stewart etreet, (opposite Mr. Eaton's), on Saturday, the 23rd October, inst, at 1 o'clock, p m, all his HOUSEROLD FURNITURE, consisting To the Editor Terento Telegraph. Srn.-I observe an article in your paper of Drawing room, Duning room, Bed room and the 24th ult., referring to the progress that is being made upon the sections of the Intercompletely furnished house. Terms-Cash in bankable funds. colonial Railroad, now under contract, to the Ottawa, October 18. effect that the contractors are making a rapid and satisfactory progress with the work, so much so, as to receive the Lighest laudation DUBLIC SALE OF TIMBER LIMITS from the Commissioners, and a recommendation from Mr. Fleming, the Chief Engineer, that Will be sold at public auction on MONDAY the percentage held as security for the final he 25th OCTOBER inst. TWO TIMBER LIMcompletion of the work, be reduced ITS, Nos. 89 and 90, on the head waters of the fifteen to ten per cent., thereby leaving the River Peche, containing about sixty square public to infer that the prices for which the miles, together with about 2600 acres of private timbered lands in the Township of Onslow, with work has been let are ample, and Mr. Flemall Dams, Slides, and improvements for the descent of lumber. These limits and private lands in his estimate of the cost of the road. .. Now. have on them a large quantity of Pine Timber, sir, permit me, as an old contractor, and one suitable for common lumber, amongst which will who has spent the last four weeks in com- be found a good deal of first quality. As the locality was one of the best in the Gatineau pany with other contractors (who are prepared country for its superior quality of timber. The to endorse, to the fullest extent, what lots in Onslow being patented, a saving of about \$150 per 1,000 logs will be effected in paying say,) in examining the line of road from River du Loup to Truro, to disabuse the pub duties. The Dams and Slides are so situated lic mind, and set it to rights with respect to that the stream can be drove in seasons of the the matter above referred to. In the first very lowest water, and lumber from that place place the contractors acknowledged (for I have can either be drawn into River Quio or Peche conversed with them) that their prices are far River itself to come down the Gatineau. Terms-One half down, and palance in one too small, even after all the leniency that can year. Sule will take place at the UNION a be shown them, and all the advantages that HOUSE, at 12 o'clock, noon, on Monday, 25th value | can be given them by change of location and grade, amounting on some sections to twenty thousand and on others to one hundred thousand dollars. Whether the country will re-Ottawa, October 4, 1869. ceive the benefit of these changes I am not prepared to say; but in the face of all these advantages the contractors still complain that gross injustice is being done them. The cause of this complaint is, they say, the mode (in my opinion very properly adopted by Mr. Fleming) of awarding the monthly estimates upon the same terms. by paying, not according to the schedule of "License No. 87 of 1868-69, described in License prices made by the contractors, which, in some as commencing at Poigan Falls, on the Gatineau

instances, would far exceed the bulk sum, but river, and extends up the river on the East a percentage of the value of the work done | side, five miles, and five miles back on the course know the facts that no other mode of paying the monthly estimates would do, for the con-Ottawa, October 15, 1869. tractors have invariably commenced, and are Mr. James Smith, of Whitby, on the eve carrying on the easiest part of the work the most difficult being as yet untouched which will cost, at least, one hundred per REAT cent, more than what they are doing. My object in giving contradiction to the articles referred to, is that the public at large and contractors may not be misled and deceived by it. The work now in slow progress will cost from twenty to fifty per cent. more than it has been let for. And I would advise contractors, before bidding for that portion of the road now advertised, to examine it closely for themselves; it is very bad ma-20 miles from any settlement, and to which roads will have to be constructed to bring in supplies and material for masonry and bridges. The latter will have to be brought a long distance. The people and ratepayers of this country should be made intelligent with respect to the probable cost of the Intercolouisl Rathroad, and not be misled, and believe it would be to their interest, in point of economy, that fair and remunerative prices | be expected. should, in the first place be paid for its construction, for no individual, however wealthy, teels disposed to spend what he has laboured hard to accumulate to build a railroad for
