From the Rappel.

What the Tiers-parti did at Versailles on the 20th of June, 1789, the Left must lo in Paris on the 26th of October, 1869. The forty deputies of whom it consists must meet on the Place de la Bastille. Let them wear conspicuously, not the scarf of the representatives of the people. as that was buried on the corpse of Baudin, but a tri-color ribbon. Let them meet on that place which commemorates our liberation-let them be impassive, determined, pacific, strong in their pre- reminding his hearers that but three rogative; they need not even have in as now, I had few personal acquaintances the lawful pistol which the representatheir hands on the night of the 2nd of December. At the appointed hour, let them proceed on foot through Paris. Let them walk down the Boulevards in silence, as the Tiors etat, when it marchthe people this noble sight of a group of men, aware of the strength of their conoffice, owing to the state of political parties in science and their trust, giving a proof of Western Canada, although I had the support obedience to the people and respect for could claim. The necessary result of such a hunrded thousand strong when they reach ion Government, of which the present | be followed by the acclamations of Paris' Premier of the Dominion Government was a and the Radical press, what will happen? distinguished member, and to that Govern- Supposing that the mere dread of such supposing that the government chooses to wait and see the Left at work, what can it do? It can resort to nothing but an arrest en masse-that is to say, a coup de etat-a coup de etat of the Em pire against the Empire. On that day the murder of the Republic will

LETTER FROM M. RASPAIL.

The following extraordinary letter from M. Raspail, addressed to the Minister, is published by the Reveil:-

ARCEUIL, CACHAN, OCT. 3. MESSIEURS LES MINISTERS: The Journal officiel of this day has inserted the degree for convoking the Senate and Legislative body on November 29. Why not on the 26th of October, the day marked as the limit of delay in the con stitution granted by the power of which you are now again become the responsible agents? Has this postponement by Sir John A. Macdonald to join his Govern- idea of personal power, which henceforth ment, I had to consider the offer on public no longer exists? Why, then, not have indicated a date anterior to the 26th instead of deferring the opening of the Chamber to November 29, without any apparent motive? In swearing edience to the constitution we had raised it to the height of our popular mandate you teach us to consider it as a dead letter, since you are the first to violate it As soon as the Chamber shall be organized you must expect to be interpolated or this subject; and afterwards a demand of impeachment for a breach of the conprerogatives. You can avoid this dis-As I purpose visiting the Biding with as grace by convoking the Assembly on or before the date of October 26.

Captain C. F. Hall last night deliver-

weekly informs us that two scholarships ed a lecture on "Arctic Explorations," each of the annual value of £50, tenable at Steinway Hall, under the auspices of for three years, in one of the universities, the American Geographical and Statisticopen to women, and to be awarded by al Society. The hall was well filled, both competitive examination, in June, 1870 on the floor and in the galleries, by a are offered to women who desire to enter very fashionable audience, a large prothe medical profession. These scholarportion of which was comprised of ladies. In the absence of Judge Daily, the presi- enough to win them to pursue their ships will aid the two ladies fortunate studies under very favourable circumpied by Dr. Hayes, who introduced the standes. lecturer. Captain Hall commenced by LORD BYRON'S MEMOIR.-We Natural Life, Color and Beauty. Renfrew returned me to the Legislative As- their pocket, as a protection against the native country after five years of voyage state that Earl Russell in no way weeks had clapsed since his return to his | (Pall-Mall Gazette) are authorised to counselled the destruction of Lord Byron's and travel in the Arctic regions. He Louis Bonaparte used at Boulogne, nor should commence by informing them of memoir, which step was decided on at a the motives which led him to make his meeting held at Mr. Murray's house, and expedition of 1858-59. While Lady carried out by Mr. Wilmot Horton and Franklin's last expedition, under the Colonel Doyle under the circumstances set forth in the Diary of Moore, edited heroic McClintock, was prosecuting its search for John Franklin, the speaker by Earl Russell (vol. iv., page 191). from which it will be seen that Mr. conceived the dea of heading an Ameri-Moor repaid to Mr. Murry the sum of can expedition to cooperate with the ed through Versailles. Let them give English one. In the fall of 1859, this 82,000 guineas he had received from that plan was spoiled by the return of Me. gentleman on account of the memoir. and also paid the interest which had Clintock, with the intelligence of the accrued in the meantme on the sum thu finding of relics of the Franklin party at Point Victory, King William's Land. Three skeletons were found, but notwith--A remarkable contribution of the standing this, it was believed that all the controversy now in progress as to the party had perished. But the lecturer merits of vaccination is furnished by determined to make a search, believing an official body in Ireland. The Poor-that some might yet survive. Early in law Commissioners there have, it seems, 1860, he started on his expedition, but informed the Belfast Board of Guardians was detained in what he christened Cyrus | that small-pox has altogether ceased in the N. B.—Parties indebted to the subscribers are reminded that the love of money is the root of all evil, and if they cannot find anything better to love we will take a contract to supply them.

Was detained in what he christened Cyrus in the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are mether, and relief and health to the child, operation does not make the subscribers are manifestation does not make th During this delay he fell in with traces forced in Ireland since 1863.

of Frobisher's party and discovered many figures given are very striking. Before relics. The lecturer than described his that year the deaths from small pox voyage on his second expedition-his averaged 1,000 annually; in 1864 the arrival in Rose Welcome. Early in 1865. number was reduced to 854; in 1865, it he started for Repulse Bay, and after was 347; in 1866, 187; in 1867, 20; and experiencing great hardship from hun- in 1868 only 19 death occurred. In the ger, and the loss of his dogs from epi- first quarter of 1869 there were three demic, he arrived there in 1866. In the deaths; in the second quarter there were fall of 1867 he started for King William's none. These statements are, observes a Land, and on his way learned from London journal, so far satisfactory In Esquimaux with whom he fell in much | the interest of science and of the public intelligence as to the fate of the Franklin health, however, is is to be hoped that party. Captain Hall's account of this we shall obtain some supplementary inforjourney was intensely interesing, giving mation, showing what measures where a wonderful insight into the manners and adopted to obtain pure lymph, and customs of these comparatively little whether, in the estimation of medical medical known northern tribes. He also gave in I reland, any other causes had a share some very startling accounts of the tradi. in promoting the happy result. tions and stories of the natives as to the ANECDOTE OF BISMARCK .- A Silesian

Franklin party, including a recital of paper gives the following apecdote of more than one conversation with men Count Bismarck: The peasants on the and women who had seen white men who coun's estate had got into the bad habit must have belonged to that ill fated of working on Sundays. The count heard txpedition. The captain also traced on of it, and wrote to his bailiff, "There e huge map, which hung at the rear of must be an end of that." The bailiff ahe platform, the course of his own travel- answered, "The people are not to blame lings, and also the wanderings of the Six days, from morning to evening, they Franklin part, as he had learned them have to work on the estate, and yet they have their own bit of land to look after At the close of the lecture his inter- and so they have only Suuday left to do preters, Joe and Hannah, were exhibited it in." But the count will not listen to in their native Esquimaux costume, the such excuses, and writes back : " From woman carrying a young child, according this time torward a new order is to be to her custom, in a bag placed upon her introduced. When my people have land back. Many relies of Sir John Franklin's and their corn is ripe, they are to begin party were also exhibited .- Herald, 19th. | with their own first." The bailif informs the peasants of the count's ness Prince Albert of Monaco with the work on Sundays." The result is that commands, and adds, "But now no more Hon. Lady Mary Douglas Hamilton was the peasants say to each other, "The on Tuesday solemnised at the chapel of master shall not lose a farthing by caring the chateau of Marchais, near Laon, for us first, so let us work with a will and they do it too. Never was the work done so well and so rapidly, and the bailiff could write to the count a few days Bassano, representing His Imperial Majafterwards, "That was a capital hit, and esty the Emperor of the French; his Exnobody has had more advantage from it cellency Baron Schweitz, Minister of than we. It was all finished in the Baden, representing his Serene Highness twinkling of an eye." the Prince of Monaco (father of the
