THE Board of Directors of Penitentiaries for the Dominion, T. J. O'NEIL, Esq., J. W. KING, Esq., and Dr. Tasse, is now sitting at the Capital. Mr. FERRES, the Warden of Kingston Penitentiary and late Chairman o the Board, is assisting in their deliberations. It is understood that Mr. O'NEIL, the senior director, will succeed Mr. FERRES as Chairman of the Board.

TRE N. Y. Albion, reviewing the recent ministerial changes here, says that "it will be "seen that the Cabinet has been rendered " stronger by the addition just made, and, as "a whole, may be considered one of "best ever brought together in the Province | country at large. There have been few men "of British America." And adds, "It is to in any country able to win, so early in "be hoped that a lofty patriotism will inspire a name and position as honourable as that " its members, and that the local jealousies of the late Chancellor. PHILIP SCOTT VAN-"that disgraced a past era in provincial poli- Koughner was born at Cornwall, in this " ties will be allowed to sleep undisturbed."

THE Globe, ever in search of fresh slander | known one in Western Canada; his grandof those who dare to disagree with it, has father having been one of the discovered that Mr. John Supple's opposition | Empire Loyalists of 1782. to Mr. FINDLAY's candidature is traceable to Chancellor's father, the the fact of the former gentleman having been P. VANKOUGHNET, was a member of put in possession of a certain timber limit Assembly and of the Council of the Upper by the Quebec Government, and upon such Canada Legislature for many years previous flimsy text inveighs against corruption and to the Union, and married a lady from the immorality, without even sparing us what North of Ireland; the Chancellor himself seems to be the mevitable reference to the holding the fact of his united German and naughty days of Walpole. Really we fail Irish blood as one of his proudest boasts. to see the connection. "They may well call He was originally educated for the church this place Stony Stratford," exclaimed an but finally chose the legal profession old but incoherent traveller, " for I was never better suited to his temperament and characso consumedly bitten by fleas before." Mr. ter, and entered the office of Mr. GEORGE SUPPLE may well, says the syllogistic Globe, JARVIS, of Cornwall, as a student-at-law use his influence for Sir FRANCIS HINCES, for Having afterwards removed to Toronto he he has just had dealings with Mr. CHAUVEAU. | was called to the Bar in February, 1844. For our part, we imagine that Mr. CHAUVEAU He commenced practice in Toronto and enis likely to take just as good care of his limits | tered into partnership with the late Mr. and make quite as good bargains for them, as Justice Buans and the present Vice-Chancel-Mr. J. S. MACDONALD, and, for the rest, if lor Hon. OLIVER MOWAT. The firm soon there was to be any "corruption" anywhere established a large practice, and Mr. VANwe can't understand why it should have goughter made a name for himself as a been relegated from the Upper to the Lower bulliant jury speaker as well as a sound Province. And whence, in the name of won- lawyer. Four years atterwards he went into der, comes the identification of the Federal Administration with either?

The "organ" of calumny goes on to state HINCKS and BALDWIN administration to that it has been openly avowed by both Sir which he was politically opposed. In 1856 FRANCIS and Mr. MURRAY that the latter has he accepted office as President of the Execu. been bought in the North Renfrew contest. | tive Council and Minister of Agriculture upon Not without reason, as it appears, does our the resignation of Sir Allan McNas, and in great problem is slowly evolving itself before performs his work; contemporary pride itself upon exclusive the following November was unanimously our eyes. The will of the people, having information. True, we know that Mr. Mun- elected as the first member for the Legislative RAY had been "sold," but this is another matter. He was sold by a requisition emanating from Mr. Deacon's office, asking him Department the same energy and ability, to oppose Sir Francis, and promising him which won for his indisputed position as the the support of the very men who subsequently head of the Upper Canada Bar. At that most eagerly backed Mr. FINDLAY against time, the crops had been seriously damaged battle. him, and who, by dividing the Conservative for several successive years by the ravages interest, had hoped to carry through Mr. of the weevil, hessian fly, and other insects, Brown's nominee. But everybody knew this, and the attention of the Minister of Agriculnor is it now news to tell. While the Globe ture was directed towards remedying the evil.

subject, which was adjudged to Professor THE Globe has evidently been getting up a HIND's admirable essay, which has done severe course of classical reading illustrative good service through the country by the of the contest in North Renfrew. Even poor practical information which it contained.
