The best rebuke to a swearer, that we have read, is that a Baltimore landlord, who had a man of the swearingest kind, stopping with him. He stood it some time and finally which he said he had fitted up on purpose for swearing in.

The Diario de la Marina is very angry at the Federal authorities of Wilmington, N.C., for their action towards the officers and men of the Hornet, setting all at liberty, and only requiring small bails from five of them. It says all those connected with the Hornet are pirates, well proven to be such by the provisions of the treaty of October 27, 1796, between Spain / 10 LET, and the United States, and that in failing to hold and punish them as such the Government of the United States has clearly violated Article 14 of said treaty.

Twenty years experience in using It is said he is here in connection with con- Bryan's Pulmonic Wafers have proved them and irritation of the throat, caused by cold, or unusual exertion of the vocal organs The verdict of the Coroner's jury on the public speakers and singers will find them most beneficial. The entire freedom from all deleterious ingredients renders Bryan's Pulmonic Wafers, or Cough and Voice person, and has caused them to be held in high esteem by all who have used them, Sold by all medicine dealers at 25 cents per
