special purpose.

The stock I have now is undoubtedly the largest settled by making known the fact that I raise my regetables from seed procured at any expense bear favorable comparison with any imported.

And another and important fact is that being raised and manufactured in Ottawa thereby avoiding freight, packing, duty and other expenses, I am enabled to sell full 49 per cent lower than

any importer.

These advantages, I think, cannot fail to satisfy those who may favor me with their orders.

Agencies.

THE RECENT PAILURES of two of the largest ENGLISH ASSURANCE OFFICE naturally causing much auxiety in the minds of assurers in all companies, the directors of the CANADA LIFE

have published a report and net valuation of all its policy and annuity obligations, by an actuary totally unconnected with it, the Hon. ELIZUA WRIGHT, or Boston, late Insurance Commissioner for the State of Massachusetts. It is believed that such a voluntary submission to of the Company's position to an eminent and independent actuary of the Hon. KLIEUR WRIGHT'S well known high character and professional skill, will add to that public satisfaction and confidence

which the "Canada Life Company" enjoys.

Copies of Mr Wright's report may be had at the

Head Office, or at any of the Agencies throughout Every size made. Persons who may be assured in the companies whose condition is unsatisfactory, desiring to join the "Canada Life," will be dealt with upon such terms as are reasonable and fair.
