MARRIED.

In this city on Tuesday, the 23rd inst., by Rev. Mr. How, Thomas Gallagher Esq., to Mrs. Mary Street, both of this city.

On 23rd inst., at the residence of her son in law, The Dowager, Stewart, Rossanah, relict of the late E. Stewart, Esq., aged 71 years.

The funeral will take place on Thursday, the 25th inst., at 9 a.m. Friends and acquaintances are respectfully invited to attend without further notice.

When the complexion is pale or waxy like, it denotes poverty of the blood, a set of organs incapable of supporting the body for a long time, and a body incapable of performing its duties with vigor.

In order for his healthy development, and to keep his healthy condition any organ, the blood must be properly constituted.

The lungs must be in good order. Follows the organs of the respiratory system will cause a salutary action of the mucous membrane, promote tone, and give tone to the respiratory system.

The liver, stomach and heart must be in good order. Follows the organs of the digestive system will cause a salutary action of the mucous membrane, promote tone, and give tone to the digestive system.

The nervous system must be in good order. Follows the organs of the nervous system will cause a salutary action of the mucous membrane, promote tone, and give tone to the nervous system.

The muscular system must be in good order. Follows the organs of the muscular system will cause a salutary action of the mucous membrane, promote tone, and give tone to the muscular system.

The circulatory system must be in good order. Follows the organs of the circulatory system will cause a salutary action of the mucous membrane, promote tone, and give tone to the circulatory system.

The excretory system must be in good order. Follows the organs of the excretory system will cause a salutary action of the mucous membrane, promote tone, and give tone to the excretory system.

The reproductive system must be in good order. Follows the organs of the reproductive system will cause a salutary action of the mucous membrane, promote tone, and give tone to the reproductive system.

The sensory system must be in good order. Follows the organs of the sensory system will cause a salutary action of the mucous membrane, promote tone, and give tone to the sensory system.

The motor system must be in good order. Follows the organs of the motor system will cause a salutary action of the mucous membrane, promote tone, and give tone to the motor system.

The intellectual system must be in good order. Follows the organs of the intellectual system will cause a salutary action of the mucous membrane, promote tone, and give tone to the intellectual system.

The emotional system must be in good order. Follow
