Mr. Harper, Mr. Phillips then sang one of his inimitable sacred songs, and introduced Mr. Gough, from Birmingham, England, who also sang several sacred songs, one of which was " Rocked in the Cradle of the Deep." A number of other songs were given with very great effect, and the audience listened to the whole with profound attention. Mr. Phillips is justly regarded as a most effective labourer in the cause of religion, and he is known and recognished.

SAW MILL MACHINERY IMPROVES MENT.

A Canadian named Timothy Beaudry has invented and patented in Canada and the United States an improvement in the machinery of saw mills, which appears to be of the greatest importance, and almost to enhance the value of a mill twofold. We notice, amongst other acknowledg-

ments of its superiority by the press, a very flattering notice in the Montreal Daily News. We clip the following from the Quebec Mercury of the 17th November, and from personal examination of the invention can corroborate the statement that it is one of the most important improvements of the age : BRAUDRY'S IMPROTEMENT IN SAW MILLS,-
