THE RICHARDSON TRAGEDY. What Mrs. Sarah P. Norton thinks

It is high time that some little common sense was printed in regard to this matter. The papers have printed so much that is silly, so much that is unwise, and so much that is absolutely shameful, that a statement based on reason, common sense, and the civilization of the Ninteenth Century, seems to be demanded; and, as I take it, was somewhat in

no possible justification or excuse. His life was taken deliberately and with premeditation, and was avowedly the result of a long nursed malicious intent, which accomplished its purpose only on the second attempt. The reason, common sense and civilization of the able terms "thou shalt not kill." Furthermore, this is the law, and it is no excuse o palliation that there was a motive. Every act, good or bad, is the result of a motive, and the motive in this case was bad from the first Second—It is not a sufficient defense for a crime that another has committed crime. If this rule will hold-and this seems to benay is - the view of McFarland's apologiststhere can be no end of assassination. Would the law justify a wife in mardering the assassin of her husband; a child in destroying the sister in taking the life of him who had mur-

matter end? This whole family, may two families, would at once become victims, and by taking her in his own legitimate charge. It if continued, these ramifications would soon society and the law; if no even to the individual against whom he sine. The maxim in back" from the Chief and Sergeant McVeitty. law and equity, as well as morals, should be ties with the utmost rigor. The man who violates this rule makes war upon society and the state; be strikes at the very first GENERAL COURT AND QUARTER principles of order and good government, and should be restrained in some manner, no matter what, from dealing violence. If this is to be countenanced by the Courts and sus-

tained by the Press, we have not yet a single

dered her brother; and if so, where would the

and treated as a barbarous people.

Fourth—In this clamor included by the am aware, the whole cases has been argued CANADA and TIN PLATES, GALVANupon the merest assumptions; and these are regarded as sufficiently proved to be even Bourget et al., vs. Laframbolse et al-Record stated as facts, are: First, the shooting and withdrawn by piffs. W. A. Ross, attorney for wounding of Richardson by McFarland in Indiana Court ; the assassination of Richardson by McFarland, and the marriage of Richardson and Mrs. McFarland, thirty-six hours previous to the death of the former. These things are all that are absolutely known to be true; and to condemn the dead man and his the last degree: and journalists who have been guilty of this thing deserves the scora and contempt of their class and of society. These men are unfit for the positions they hold, and should also be restrained from doing more damage, by incarceration in the Penitentiary or a lunatic asylum, accordthe results have demonstrated what the effects will do. Society deplores the effects society will only let the children alone, i Grant es. Onesime Laberge-tampering will have nothing to deplore. The counsel sions. Judgment reserved till next general intention of prejudicing the public mind in solicited. allowed to argue the case; and if he does, it

a large proportion of active principles.
Guyot's tar possesses all the advantages of ordinary tar water without any of its drawbacks. A glass of excellent tar water without any dis-

A glass of excellent tar water without any disagreeable taste may be instantaneously obtained
by pouring a teaspoonful into a glass of water.
Any one can thus prepare his glass of tar water
at the moment he requires it, thus economising
time, facilitating carriage, and obviating the
disagreeable necessity of handling tar.
Guyot's tar replaces advantageously several
more or less inactive ptisans in the treatment of
colds, bronchitis, coughs and enterrhs.
duyot's tar is employed with the greatest sucoess in the following diseases:

As a Drawger—A teaspoonful in a glass of water, or two table-speenfuls in a bottle :

BRONCHITIS CATARRH OF THE BLADDER COLDS OBSTINATE COUGHS IRRITATION OF THE CHEST HOOPING COUGH DISEASES OF THE THROAT PULMONARY CONSUMPTION

As a Lorios -Pare or diluted with a little water AFFECTIONS OF THE SKIN ITCHINGS DISEASES OF THE SCALP.

Guyot's tar has been tried with the greatest success in the principal hospitals of France, Belgium and Spain. Experience has proved it to be the most bygienic drink in hot weather and in time of epidemics. Detailed instructions ac-General depot in Paris; L FRERE, 19 rue
