The Poor Man's Friend.—Doctor's bills are too long for a poor man's pocket, but many of them may be avoided by keeping Holloway's Salve in the cupboard. It is the greatest pain of the age, curing burns, cuts, scalds, sprains, wounds, chilblains, chapped hands, &c. Prudent housewives will save their husbands' hard-earned money by purchasing a box of this salve.

Queen's Birthday was kept in the usual loyal style last month, and next month the citizens of the Dominion of Canada will celebrate the birth of their new and rising confederacy; but renowned invalidism still feels that a public holiday would be too short to celebrate all the virtues of that celebrated Indian Medicine, the great Sagamore Remedy, now on sale by the respectable druggists in your locality.

Bronchocele.—This second affection, called by the French *coup de misoi*, is supposed to occur more frequently as the country is cleared, but such indeed is not the case. The number of sufferers may appear to be annually increasing as the country becomes older, but this is also due to the increase in both affections in consequence of the increased facilities for communication, which, like the great Shoshonean Remedy for consumption, is still in the wake of civilization.

The question of grants to superior education has not yet been properly settled by the Legislature of Ontario, but the public is satisfied with the utility of Upper Canada College in our educational system, the former question will remain open. The Honourable John Sandfield Macdonald has not been so successful with educational questions, as the great Shoshonean Remedy has been in eradicating the numerous chronic complaints of the Lungs, Liver and circulatory organs. For sale by all druggists.

The Supreme Court of the State of New York have issued a perpetual injunction against Eaton and Jenkins for counterfeiting Ayer's Cathartic Pills, holding them responsible for the great injustice in which they have been done and restraining them from further like injury to the public. If any class of our people more than another needs the interposition of law to shield them from imposture, it is the sick and suffering who are unable to protect themselves. A remedy so universally employed as Ayer's Pills, and all classes, both to cure and prevent disease, should as it does, have every security the law can afford from counterfeit and imitation.—*Cabinet, Schenectady.*

Ton Thumb Relished.—We read there has been a race between the New York showman to obtain possession of one George Washington Nutt, who is said to be several inches shorter than General Tom Thumb, and Mr. P. T. Barnum has succeeded in getting him for three years for $30,000, board and expenses. Is it not a great thing to be a small man! and is it not equally as great to have a medicine that can be depended upon for curing colds, rheumatism, horse, bruises, summer complaints, cholic, &c.; if so get at once a supply of the "Canadian Pain Destroyer," at the nearest medicine dealer's for 25 cents.

Coughs and Colds.—Sudden changes of climate are one of the causes of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges. Few are aware of the importance of checking a cough, or even a common cold, at its first appearance, which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, having a manner influence on the affected parts. As there are imitations, be sure to obtain the genuine. Sold by all dealers in medicines, at 25 cents a box.

Eyesight Save It.—That is all one has after used the artificial themselves or witnessed its effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Eye Remedy" is superior to anything of the kind heretofore or at present in use for coughs, colds, thick wind, and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and which they should have constantly on hand. Remember the name, and see that the signature of Hurd and Co. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada.

FOR

CHOLERA,

DIARRHŒA, and

BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE, I could make a good little fortune with them. The bottle I brought with me here brought so: two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."

To Messrs. CHAMBERLAIN & BIELD, CONWAY P O, County of Lennox, Ontario, Canada:

MADOC, County of Hastings,
Province of Ontario, Feb. 9th, 1869.

This is to certify that during the winter of 1856 I was taken with a weakness in the ankles which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, while this weakness was coming on me, and afterwards, I sough medical advice, employing, at different times three doctors, and tried a number of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1866, when I was induced to try the great Shoshonee Remedy by reading the cures performed in a pamphlet. At this time I had begun to feel the weakness in my hands; in fact I was getting almost helpless. I have taken two bottles of the Shoshonee Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, I have only to say try the Shoshonee Remedy; I believe it will cure you.

Sworn to before me at Madoc, County of Hastings, his ninth day of February, 1869.

A F WOOD, J P, &c.

I hereby certify that I have known Mrs. Mary Ann Doughty the last fifteen years; she is a woman of probity and truth.

before, during, and since her illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hopeless; and I know that she has, since her recovery, always attributed her recovery to the Shoshonee Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain, that in her case it has acted almost like the performance of a miracle.

Ayer's

# Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by every fresh contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a thorough purifier, like Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this: *Salt Rheum, Blotches, Boils, Pimples, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, Sores, and other eruptions* or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Pain in the Side, Epilepsy, Neuralgia,* and the various *Uterine* affections of the muscular and nervous systems.

*Syphilis* or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these inveterate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations,* and *Female Diseases,* are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout,* when caused by constitutional poisons or extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation of the Liver,* and *Jaundice,* when arising, as they often do, from the rankling poisons in the blood. This *Sarsaparilla* is a great restorer for the strength and vigor of the system. *Nervous Debility, Languid and Wakeful Nights, Dyspepsia, Sleeplessness,* and troubled with *Nightmare, Apprehensions of Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.
