England taken an active part in the struggle

We shall, at least, do as the World recommends, in imitating the reticence of Lord that a tone of feeling will be produced on both sides of the Atlantic tending towards a favorable, satisfactory, and honorable adjustment rangement of them than the facts themselves, towards allaying both.

FINANCIAL OPERATIONS.

Without the slightest intention of being complimentary to the Honourable Minister | " Harry Bluff, when a boy, left his friends and of Finance, simply because of his position we may be permitted to remark that it is im possible to speak of Sir Faancis Hincks as a minister and man of business without being laudatory or the reverse, and it we use the language of praise now in speaking of him, it is because praise is righteously his due. His genius was active; I've heard, or have A paragraph in our last alluded to his pluck, energy, and ability as a financier. These qualities in Sir FRANCIS HINCKS were never doubted. His enemies in days gone by never denied his pluck, his energy, or ability. His motives may have been questioned or the exactness of his public dealings, but his pluck, energy and ability were indisthe public in connection with the offer of an self from home to the great annoyance of a the actual benefits are derived from the city, the force, but think a better selection will be advance of half a million of dollars to the step-father who thus addressed his mother:

Step-father who thus a the interest for a month, which was unreasonably refused by the Government to whom its use would, it might have been supposed, of benefit. This refusal staggers the Toronto Monetary Times. That ably conducted business journal says:

tage to do so, and that he sees the necessity rolls over with him into the sea. trol of one monetary institution. It lies with the Treasurer of Ontario to explain why he did not avail himself of the opportunity to give the banks of his Province a share of the this somewhat confined vessel a shark paid profit, if any, arising from a heavy Govern-ment deposit. If the Bank of Montreal can our William an appalling visit, and had a afford to give the Government of Ontario four very pleasant talk with him, being tickled per cent. interest, we suppose some of our Western banks can afford to do the same thing. The Treasurer of Ontario might have met the Finance Minister half way, and accepted to an offer which was fraught with the lady of any Casadian Knight; advantage to all concerned ; or, at least, en- And her lord, if he had but an eve deavored to secure to our banks the benefit of
