The Poor Man's Friend.—Doctor's bills are too long for a poor man's pocket, but many of them may be avoided by keeping GRACE'S SALVE in the cupboard. It is the "precious pot of ointment," curing burns, cuts, scalds, sprains, wounds, chilblains, chapped hands, &c. Prudent housewives will save their husbands' hard-earned money by purchasing a box of this salve.

"Queen's Birthday was kept in the usual loyal style last month, and next month the citizens of the Dominion of Canada will celebrate the birth of their new and rising existence; but recovered invalids still feel that a public holiday would be too short to celebrate all the virtues of that celebrated Indian Medicine, the great Sagwanaw Remedy, now on sale by the respectable druggists in your locality.

Dumbness.—This accidental infliction, called by the French *sourd de actiel*, is supposed to occur more frequently as the country is cleared, but such indeed is not the case. In the same manner many suppose that crime is on the increase as the country becomes older, but this is also deception. The truth is both illusions spring from the increased facilities for communication, which, like the great Shoshoonna Remedy for consumption, towoll in the wake of civilization.

The question of grause to superior education has not yet been properly settled by the Legislature of Ontario. Until the public is satisfied with the utility of Upper Canada College in our educational system, the former question will remain open. The Honourable John Sandfield McDonald has not been so successful with educational questions, as the great shoshoonna remedy has been in eradicating the numerous chronic complaints of Lung, Liver and Kidneyary organs. For sale by all druggists.

The supreme Court of the state of New York have issued a perpetual injunction against Eaton and Jenkins for counterfeiting Ayer's Cathartic Pills, holding them responsible for the cruel imposition in what they have done, and confining them from further like injury to the public. If any class of our people more than another needs the interposition of law to shield them from imposture, it is the sick and suffering who are unable to protect themselves. A remedy so universally employed as Ayer's Pills by all classes, both to cure and prevent disease, should be at least as well secured by the law can afford it, from counterfeit and imitation.—*Cutting, Sch-nectady.*

Ton Thumb Eclipsed.—We read that there has been a race between the New York shoshoonna to obtain possession of one George Washington Nutt, who is said to be only 18 inches shorter than General Tom Thumb, and that P. T. Barnum has succeeded in getting him for three years for $25, 000, board and expenses. Is it not a great thing to be a small man! and is it not equally as great to have a medicine that can be depended upon for curing colds, rheumatism, burns, bruises, summer complaints, cholic, &c.; if so get at once a supply of the "Canadian Pain Destroyer," at the nearest medicine dealer's for 25 cents.

"Coughs and Colds.—Sudden changes climate are sources of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges. Few are aware of the importance of checking a cough, or "common cold," in its first stage. That which in the beginning would yield to a simple remedy, if neglected soon reaches the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, having a healing influence on the affected parts. As there are imitations, be sure to obtain the genuine. Sold by all dealers in medicines, at 25 cents a box.

Everybody Says So.—That is all who has either used the article themselves or witnessed its effects when administered by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Stave Remedy" is superior to anything of the kind heretofore or at present in use to expel colds, chicken wind, and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and should have constantly on hand. Remember the name, and see that the signature of Hard and Co. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada.

MORTIMER'S

INFALLIBLE REMEDY FOR CHOLERA, DIARRHŒA, and BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE, I could make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."

To Messrs. CHAMBERLAIN & BILLS, Conway P O, County of Lennox, Ontario, Canada:

Manor, County of Hastings,
Province of Ontario, Feb. 9th, 1869.

This is to certify that during the winter of 1866 I was taken with a weakness of the ancles, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, while this weakness was coming on me, and afterwards, I sought medical advice, employing, at different times three doctors, and medicines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Shoshonee Remedy by reading the cures performed in a pamphlet. At this time I had begun to feel the weakness in my hands; in fact I was getting almost helpless. I have taken two bottles of the Shoshonee Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, I have only to say try the Shoshonee Remedy; I believe it will cure you.

Sworn to before me at Madoc, County of Hastings, his ninth day of February, 1869.

F WOOD, J P, &c.

I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years; she is a woman of probity and truth. I have known her before, during, and since her illness. I believe her certificate to be true in particulars. I know that while ill her case was declared hope, less; and I know that she has, since her recovery, always attributed her recovery to the Shoshonee Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain, that in her case it has acted almost like the performance of a miracle.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that when it does cure it does always —that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia, or Indigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaints and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything been so widely and so deservedly upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men, its virtues have been higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for confirmed consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, in the early stages of many cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the use of Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they crumble and disappear.

Singers and Public Speakers find great protection from it.

Asthmatics is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

In general are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical, or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in no way injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgements we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
