The Christ Church readings were a success last evening, a select, and numerous audience being present.

We are requested to state that Lady Young will hold a Reception on Monday, the 3rd of January, 1870, at half-past three o'clock.

Board of Trade.—There will be a general meeting of the Ottawa Board of Trade on Monday, 3rd proximo, in the City Hall, for the election of officers for the ensuing year.

The Congregational Church penny readings, last evening, were in the general good tone and taste which has hitherto characterized these interesting entertainments.

Arrivals at the Union House.—James Addair, Oshawa; L R Palmer, Saginaw, John Campbell, Hamilton; Jas Thompson, Perth; D G Burton, Cumberland; Geo Watson, do.; John Rankin, Cobden; D Buchan, Arnprior.

The Buckingham Mail.—Owing to the bad state of the ice, and the fact that several accidents have, within the past few days, transpired, we were informed yesterday that the mail stage will pass by the Gatineau bridge for the lower townships of the Ottawa county.

Tea Meeting.—The Sunday School children were entertained at the Bank-st. Church, last evening, at a tea meeting. The Rev. Mr Moore was present, and the whole affair went off in the usually well-regulated order of the establishment under his *care*.

The New Enterprise.—Our old friend, Thomas Isaac, has quietly settled down in the western portion of our city, on Wellington street. An assortment of shelf-hardware, and stoves may invite the public,—but the merry face of "Tom" will make them buy.

Should be Looked To.—Servants are in the habit of leaving the employment for which they were hired, giving no due notice of their intended departure from service. The safe system of requiring a reference might counteract this annoyance to a certain measure.

A Start.—On Tuesday last, over two hundred teams left this city, laden with provisions, for the lumber trade of this winter. This is but a drop in the well of our great Ottawa lumber trade. The loading of the above teams will be distributed from within thirty to two hundred miles from this city.

Look Out.—The youngster, so seriously run over on Rideau-st., wasn't hurt, much to the disappointment of the frequenters of the Coté's dispensary, the parties having the greatest interest, complaining having come to the conclusion that the juvenile would have been better at home. In reality, parents are to blame in permitting children to have such full fling that many come to the grief of the little fellow of the other day.

A Change.—Mr. Bailiff having sometime ago notified the Sheriff of the County of Carleton of his intention to retire from his position as Deputy to that official, we are happy to inform the public that the Sheriff has made a proper selection in the person of W. H. Falls, native of the County, and one who has distinguished himself in our militia service, and municipal enterprises.

St. Alban's Church, New Year's Services.—We are informed that there will be service to-night in this church, commencing at 11:30, and a solemn celebration of the holy communion at 12:15. To-morrow the congregation have been invited to morning prayer and holy communion, the service to commence at 10 a. m. Thus the old warfare between the church and the world is continued.

Acknowledgement.—The Committee of the St. George's Society tender their grateful thanks to the undersigned for their generous contributions to the Christmas (special) fund: To Messrs. Satchell Bros. for 250 lbs. beef; J. G. Robinson, Esq., 150 lbs. beef; A friend a quarter of mutton; E. McGillivray, Esq., 6 lbs. tea and 12 lbs. sugar; W. Herbert Jones, Esq., cash $3; H. A. Wicksteed, Esq., $4; T. Hunton, Esq., $2; F. Worthington, Esq., $1; Mrs. Jas. Lowe, $1; A friend $2; Mr. J. Morse 25cts.

Police Court.—Two lads were made answerable to a charge of disorderly conduct on the public streets. It appears that they were parties to a *charivari*. One of our policemen caught them in the act, and in possession of the requisite trumpet-horn for such an occasion. The Police Magistrate, after delivering a sound lecture to the urchins, let them off. Michel Brisbois was called on to answer a charge of abusive language, which he had directed against one Alexandre Deschamps. The defendant strained himself in bad English to satisfy the Court that he was the abused, not the abusing party. The complainant and defendants further felt indignant that Brisbois had stated the two old gentlemen had wandered out of the path of connubial duty, the latter of whom was willing to "bring the woman to the fore" to prove such was not the case. His Worship foot-balled the matter, in design, by dismissing the action.

"Lightning"—This case came up yesterday morning for further hearing. The Counsel for both sides appeared—the parties interested were there; but on entering into the matters in dispute, it was discovered that a reconciliation had been managed between the parties. Countenances—lawyers, and reporters—disgust. Police Magistrate, and clerk—smiles without measure.

The case of McDonald for stabbing McDougall was called; a couple of witnesses were examined, and the case was adjourned till 3 p. m.

Afternoon Sitting.—The stabbing case came up, as adjourned yesterday afternoon. McDougall, who cannot walk, testified that he was stabbed in the thigh, that the wound inflicted was three inches long, and one inch deep. John Brown found a knife, whose blade was covered with blood, on the person of the prisoner. Dr. McDonnell testified as to the fact, that the wound was really dangerous. The Police Magistrate committed the prisoner.

—Life has few Charms for the Dyspeptic which is not to be wondered at when we take into the account the amount of bodily and mental suffering that this distressing malady generates. The Peruvian Syrup (a protoxide of iron) has cured thousands who were suffering from this disease.

Only a Cold Let it Go as it Came.—Deceive not yourself with such words. In this changeable climate of ours, a cold once contracted must be expelled instantly, loose no time, or health and even life itself may be sacrificed to "only a cold." Get Dr. J. Briggs' Renovator, the great Throat and Lung Healer. Sold by Druggists and Country Merchants. 1244a

TO THE PUBLIC.

That valuable parcel of land known as the Egan Lot, opposite the Russell House, will be leased for a term of years in building lots, having a frontage of twenty feet on Sparks street.

And also that part of the south half of Lot G, in Con. C, Nepean, which lies between the Bank Street Road and the Concession Line on the West side of Con. C. About sixteen acres, on the westerly end of this lot, opposite the residence of E Sherwood, Esq, are cleared and fit for immediate cultivation; the remaining portion is covered with a beautiful grove of second growth pines, &c, and from its close proximity to the city it would make a very fine pleasure ground or public garden.

The cleared portion would be leased separately if desired.

During the past year, Reverend Henry Ward Beecher, Professor Buckland, Hon. G. W. Allan, Mr. W. Edwards and other eminent contributors have written for the Ontario Farmer, and no pains will be spared to secure the continued co-operation of leading agriculturists, and horticulturists, in adding variety and interest to its contents.

During the coming year engraved portraits of prize animals at the late Provincial Exhibition, will, from time to time, appear in the Ontario Farmer. These engravings will be executed by those incomparable stock artists, Messrs. Page and Carson, of New York.
