as a cat; and to be capable of being rui | instrument of opening to the youth of ned as many times as a Wall-st broker. the over crowded parishes new fields He began life by running away from the of enterprise. Mr. Archambault study of theology to study music; got knew from the reports of surveyors, hunt_ into a duel with a fellow musician, fatally wounding him, and had to run for his life to Paris. There he fell into poverty and despair, and being robbed of all he had, threw himself into the Seine. main impediments to access were the But he was fished out and saved, and found favour with a rich lady, who made his fortune for him. But the insurrection ploration might disclose some vally of 1832 made him forget the fiddle and the bow. He dashd into the fighting; enough to find one in rear of Jolliet. and got dangerously wounded. But this did not cure him. In 1848 he was as full of fight as in 1832, and was mixed up pretty generally in the revolutionary movements of that period. Having at farming establishment of the lumbermen last got through with his revolutions, he went again to fiddling, built a theatre in Bergen, undertook to bring out political dramas, was arrested, and ruined_pecuniarily. He then left Europe, and in 1862 undertook to plant a colony, proved a disastrous failure, and Ole. Bull was again ruined. He next hired the New York de voyage." No nation wants a back Academy of Music, and attempted to carry on that establishment. But shortly struggle incessantly to advance westerly failed and got ruined once more. Since that time he has attempted no great things and has had no great chances to fail: and it is hoped may live quietly and rappily through the remainder of his eventful
